Doug,

Good afternoon.

This email will serve to confirm that Twin Lakes Improvement Association (TLIA) plans to file a conditional withdrawal of its protest in this matter, given that the applicant has agreed to our proposed conditions and you have included those conditions in the draft permit with your letter dated May 21, 2020. I have spoken with Mr. Finman and he has agreed that the document can also include his partial withdrawal. We will sign and circulate the combined document to the applicant for his review and signature, as well as to Mr. Finman for his review and signature to concur in the partial withdrawal, so that it can be filed with IDWR.

As a result of its conditional withdrawal, TLIA does not intend to participate in the hearing and we do not plan to return the requested calendar enclosed with the attached letter from IDWR. By filing the conditional withdrawal on behalf of TLIA, we understand that we will continue to receive notice of all aspects of this proceeding from the parties and IDWR and that we will further have an opportunity to review the final permit (preliminary order) that is issued to make sure it includes all of the agreed-upon conditions. If this is incorrect, please let me know.

Thank you.

Norm
