RE: CHANGE IN OWNERSHIP FOR: 22-631

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Madison, Fremont County. The property to which I am referring was most recently owned by Floyd Gardner. The legal description includes but not limited to land within the following:

Township 7 North Section 36 Range 40 East

Please note this water right also has a portion of the place of use in section 1 T6N R40E, so there is a possibility a split would be required. However, I have talked to Floyd Gardner and he indicated he thought you had purchased the entire water right. If that is the case the ownership change will still be required, however you will need to file a transfer application as well. Both applications are attached for your convenience.

**Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,
