Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to Metropolitan Life Insurance Company. The Department has modified its records and has enclosed a computer-generated report for you. You will notice that Kimberly Williams, attorney, is listed as a contact for the water rights. She can be removed when the Department receives written authorization from either you or Ms. Williams.

While processing these Notices, it was noted that Water Right No(s). 36-8658 and 36-8671 are currently in the Application stage and are considered personal property. Furthermore, these applications are not in the name of Box Canyon Land Holdings LLC. In order to update ownership on these applications, Assignment(s) of Application for Permit will need to be filed with the department. The Assignments need to be signed by the current owner of record. If this is not possible, the Assignment forms would need to be submitted with sufficient documentation releasing their interest in the Applications. This can be a Quitclaim Deed, Personal Representative's Deed, etc. I have enclosed an Assignment form for each application.

In addition, there is no fee for an Assignment of Application, a refund request in the amount of \$50 has been submitted for processing. The refund will be sent to TitleOne in Jerome upon approval.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
