A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following **REQUIRED** items:

 - ☒ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
 - ☐ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
 - ☒ Filing fee (see instructions for further explanation):
 - o \$25 per *undivided* water right.
 - o \$100 per *split* water right.
 - o No fee is required for pending adjudication claims.
 - ☐ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
 - ☐ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

47-13313, 47-13314, 47-13315

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to Shawpatin AgCap LLC. The Department has modified its records and has enclosed a computer-generated report for you.

You will notice that Conterra Agricultural Capital LLC has been copied on the letter because they have a security interest on the above referenced water rights. The Department can remove the security interest from the water right records upon written authorization from Conterra Agricultural Capital LLC.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

Re: Change in Water Right Ownership for Water Right No(s): 47-2292, 47-13313, 47-13314, 47-13315

Dear Water Right Holder(s):

The Idaho Department of Water Resources (Department) recently received a Notice of Change in Water Right Ownership (Notice), for the above referenced water rights. The Notice was received from TitleOne Corporation on February 11, 2020. The Notice could not be processed due to the following reasons:

- 1) Water Right No(s). 47-7789 & 47-12042 are currently in the name of Eric Pearson and Juliana Barrientos Garcia. In order to complete this Ownership Change, we need documentation showing Julianna Barrientos Garcia no longer holds an interest in the property or water rights. Otherwise, she will remain as a current owner on the rights. This can be a copy of a Warranty Deed, Quitclaim Deed, Court Decree, or Contract of Sale.
- 2) Water Right No(s). 47-2292, 47-13313, 47-13314 & 47-13315 are currently in the name of Terry Pearson. In order to complete this Ownership Change, we need documentation showing Terry L Pearson no longer holds an interest in the property or water rights. This can be a copy of a Warranty Deed, Quitclaim Deed, Court Decree, or Contract of Sale.

Because the Department cannot process the Notice(s) without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you in advance for your patience and cooperation. If you have any questions regarding this letter, please contact me at (208) 736-3033.

Sincerely,
