3. Rights 61-301A, 61-332 through 61-340, 61-343, 61-364, 61-2008, 61-10363 and 61-11854 are limited to the irrigation of a specific 161 acres within the 174-acre place of use authorized by the rights in Sections 8 and 17, T04S, R09E a single irrigation season. The specific 161 acres to be irrigated by the right holder in Sections 8 and 17 shall be identified prior to use by submittal of a land list and a map sufficiently detailed to allow creation of an electronic shape file to be associated with this right. Before changing the 161 acres to be irrigated within the 174-acre place of use described in Sections 8 and 17, the right holder shall submit a new land list and representative electronic shape file or map to the Department prior to the irrigation season in which the change will occur.
4. Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 61E.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
6. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.0 afa per acre at the field headgate for irrigation of the place of use.
7. Prior to diversion and use of water on or across federal land under this approval, the right holder shall obtain authorization necessary to access the point of diversion or place of use or to convey water across federal land.
8. This right does not grant any right-of-way or easement across the land of another.
9. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
11. Pursuant to Idaho Code § 42-1412(6), this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as determined by the Snake River Basin Adjudication court in the final unified decree entered 08/26/2014.
