4. If the water rights and/or adjudication claims were split, how did the division occur?

- The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.  
 The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: 3-3-2020

6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner any Water Supply Bank leases associated with the water right. A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following REQUIRED items:

- A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.  
 Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).  
 Filing fee (see instructions for further explanation):  
o \$25 per undivided water right.  
o \$100 per split water right.  
o No fee is required for pending adjudication claims.  
 If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.  
 If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

Re: Change in Ownership for Water Right No(s): 34-14763, 34-14765, 34-14767 and 34-14769

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg

---

Treva & Sascha,

Good afternoon!!

I have a refund request as follows:

Receipt number: E045877  
Amount: \$300.00  
Payable to: Daniel Howard  
3763 W 4050 N  
Moore ID 83255

Reason: \$400.00 filing fee received for 4 water rights, to split all 4, a review determined a split is not required. Therefore the ownership change is a nonsplit so the filing fee is \$100.00. Therefore the applicant is entitled to a partial refund. (\$300.00)

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.

Have a great day!!!
