PROOF DEFICIENCY LETTER

RE: Permit Nos. 25-14199 and 25-14236

Dear Permit Holder:

The Department sent a letter dated March 5, 2020 requesting additional license examination fees for the above referenced permits. Information in that letter was incorrect. A \$100 license examination fee was initially submitted with the proof form. An additional \$25 was submitted on March 11, 2020 in response to the March 5, 2020 letter. The March 5, 2020 letter erroneously combined the diversion rate of both permits in calculating the fees. Permit 25-14199 authorizes a diversion rate of 0.83 cfs (cubic feet per second) and the examination fee is \$100. Permit 25-14236 authorizes a diversion rate of 0.25 cfs and the examination fee is also \$100.

I apologize for the confusion and inconvenience. Please submit the remaining \$75.00 of the required fee.

Please submit the required fees at your earliest convenience before the proof due date of **November 19, 2022** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,

Debbie Studd
Technical Records Specialist
