

6. GENERAL INFORMATION

- a. Describe the complete diversion system, including how you will accommodate a measuring device and lockable controlling works should they be required now or in the future:
Well to be drilled with an electric pump installed. Installation shall accommodate a measuring device and lockable controls if required.

- b. Who owns the property at the point(s) of diversion? Applicant
If other than the applicant, describe the arrangement enabling the applicant to access the property for the diversion system:

- c. To your knowledge, has/is any portion of the water right(s) proposed to be changed:

Yes No

- ☐ ☒ undergone a period of five or more consecutive years of non-use,
☐ ☒ currently used in a mitigation plan limiting the use of water under the right(s), or
☐ ☒ currently enrolled in a Federal set-aside program limiting the use of water under the right(s)?

If yes, describe:

- d. Is any portion of the water right(s) proposed to be changed currently leased to the Water Supply Bank? ☐ Yes ☒ No
☐ If yes and there are multiple owners, attach a [Lessor Designation](#) form.
☐ If yes, the individual owner or designated lessor must complete, sign and attach an [IRS Form W-9](#).
(Disregard if these items are on file and ownership has not changed.)

7. **MAP** – ☒ Attach a map of the diversion, measurement, control and distribution system. Include the place of use if a split of the water right occurred. Clearly label the map with township, range, section and ¼ ¼ of section information. You may create a map at idwr.idaho.gov, *Water Rights*, *Water Right Transfers*, *File a Transfer Application*, *Step 2C*.

8. **SIGNATURE** – The information in this application is true to the best of my knowledge. I understand any willful misrepresentations in this application may result in rejection of the application or cancellation of an approval.

RE: Transfer No. 84012
Water Right No(s). 95-17513, 95-17793, 95-4706

Dear Applicant:

The Department of Water Resources has received your water right transfer application. Please refer to the transfer number referenced above in all future correspondence regarding this transfer.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 5/7/2020 and 5/14/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

Re: Review & Evaluation of Sufficiency of Information

Review & Evaluation of Sufficiency of Information
4/20/2020

Authority to File:

The applicant is listed as the current owner of the rights being transferred according to IDWR records.

Water Right Validity:

The water rights are valid and have been recommended in the CSRBA.

Injury to Other Water Rights:

There are some domestic recommendations in the general area of new wells location. Because of the proximity, this transfer will be advertised for the public's consideration.

Enlargement of Use:

None anticipated.

Local Public interest:

No negative issues anticipated.

Beneficial Use/Conservation of Water Resources:

Proposed use is recognized as a beneficial use of water.

Effect on Economy the Local Area:

New well will insure an adequate and safe water source for the applicant.

Effect on Agricultural Base of the Local Area:

None anticipated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
