

## MEMORANDUM

**Date:** April 9, 2020  
**To:** Transfer 84003  
**From:** Blake Jordan  
**Re:** Review & Evaluation of Sufficiency of Information

This transfer proposes to change the place of use for water right 32-7015. The applicant seeks to dry up acres under the end gun of three pivots and install a mini wiper pivot in a pivot corner. The point of diversion will remain the same.

**Authority to File:**

John Allen (applicant) and Emery Allen are listed as current owners of water right 32-7015. Emery Allen passed away in 2001. John Allen provided a death certificate for Emery Allen. Emery Allen will be removed as a water right owner. John Allen is the current owner of the property at the proposed place of use per Jefferson County taxlot data.

**Water Right Validity:**

Water right was decreed in 2000. Aerial photography shows land has been consistently irrigated. Forfeiture is not an issue.

**Injury to Other Water Rights:**

This water right is located within the ESPA model boundary and is regulated by WD 110. ESPA analysis is not applicable. This transfer will be processed with no advertisement. The watermaster does not oppose the application.

**Enlargement of Use:**

No concerns.

**Local Public interest:**

No concerns.

**Beneficial Use/Conservation of Water Resources:**

No concerns.

**Effect on Economy the Local Area:**

No concerns.

**Effect on Agricultural Base of the Local Area:**

No concerns.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
