13	Narrative: The Department received this application on December 23, 2019. The applicant wishes to place 4.6 acres of irrigation in the Bank from 2020-2024. Attachment 2 was not filled out so the number of acres to be placed in the Bank came from the map and statements made in the general information portion of the application. The parent of this right was decreed in 2000. This right was placed in the Bank in 2015-2019. A memo dated Sept. 3, 2015 confirms irrigation use in 2010. There are no overlapping rights. This right is located in the Mountain Home GWMA and is currently within WD 161.
