RE: Application for Permit No. 74-16224, 74-16225, 74-16226 & 74-16227

Dear Applicant(s):

The Department of Water Resources is re-advertising your applications for the beneficial use of fish propagation. They were advertised incorrectly on March 19th & 26th.

A legal notice of the application has been prepared and is scheduled for publication in the RECORDER HERALD on 4/16/2020 and 4/23/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Jean Hersley

RE: Application for Permit No. 74-16224 & 74-16225

Dear Watermaster:

The Idaho Department of Water Resources (IDWR) notifying you that the above mentioned applications are being re-advertised for fish propagation and is seeking written comment and/or recommendations from you regarding the above referenced water right applications. You can find a copy of the applications at: <https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>. Please review the application, then complete the enclosed recommendation form and return it to this office within 21 days of the date of this letter.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Sincerely,

Jean Hersley
