RE: Change in Ownership Water Right No. [35-2796](#), [35-2602](#) and [35-13061](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. According to information received we have sufficient evidence of ownership for 29-2796 and 29-13061. Additional information however is required for 29-2602. The information required is indicated below:

\*\*\*\* **Evidence of Water Right Ownership:** According to the Warranty Submitted with your application you did not purchase any property in Section 23, Township 1 North Range 36 East. Water Right number 35-2602 has 8 acres in the NWNW of Section 23, Township 1 North Range 36 East. Please provide evidence of ownership of that property.

OR

\*\*\*\* **Split Filing Fee:** If you believe you do not own the property in question, an additional filing fee is required. The filing fee for a split ownership change is \$100.00 per water right. Please provide an additional \$75.00, where you have already paid \$25.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Please feel free to contact the Department if you have any questions.

Sincerely,

*Jonie Barg*
