Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** Please provide a full chain of title. According to the information filed with the department the current owner of the water right listed above is Patricia Stoor, in order for the department to update the ownership a full chain of title going back to the current owner of the water right is required. Please provide copies of the deeds going from Patricia Stoor to Albert Quinn Nuffer and Robin M Nuffer (who you purchased the property from), the department received a copy of the deed instrument number 161621 from Albert Quinn Nuffer and Robin M Nuffer to Tod L Nuffer and Brenda Nuffer.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
