Exchange Agreement for Red Rock Farms, LLC and Branch Farms, LLC

March 12, 2018

We, Peter J. and Sylvia Grush representing Red Rock Farms, LLC and Nolan and Luann Branch representing Branch Farms, LLC hereby enter into a exchange agreement concerning property located in Cassia County, Idaho for the mutual benefit of both parties.

Red Rock Farms agrees to trade 140 acres known as Roger's hand lines and the Paul Ward farm to Branch Farms and will receive in return 150 acres known as B13 and B14. Branch is retaining the Yellow Brick Home on B13 and the gravel pit on the corner of B14. There is presently a fence called the Branch/Neddo fence running east and west on the property that will be removed by Grush and the materials stacked to the south of the Yellow Brick Home. Branch will use the materials to build a fence to separate the Yellow Brick Home from the adjoining field. Branch will also use the materials to build a fence to separate the gravel pit from the adjoining field. Both fences will be completed by October 1, 2018 and will be placed on the property lines dictated by the new survey.

The wells tied to each piece of property will transfer with the property. In the case of the Red Rock property, 2 wells, one located on the Roger hand lines piece and one located on the Paul Ward farm will be traded to Branch. In the case of the Branch property, 1 well located on B13 including its variable frequency drive, will be traded to Grush. Mechanical irrigation equipment on the respective properties will also transfer with the property. The Valley pivot on B14 will remain on B14. The Valley linear on the Paul Ward farm will remain on said farm.

Both parties will retain their water rights and move the point of diversion to their new wells. In addition Branch will give Grush 8 additional water right acres from water right #43-4237. Each party will also retain the hand lines they have at present. Grush has about 2 hand lines from the Roger's hand lines piece. Branch has about 5 hand lines from B13.

The required survey and closing costs will be split equally between the parties. The value of the properties are deemed equal at [REDACTED] and no additional monies will be paid to either party.

The legal descriptions and survey maps are attached.
