**PRELIMINARY ORDER  
REINSTATING A PERMIT**

This matter having come before the Idaho Department of Water Resources (“Department”), the Department finds, concludes and orders as follows:

**FINDINGS OF FACT**

1. On December 31, 2009, the Department issued Permit No. 63-33186 (“Permit”) in the name of Arrowrock Ranch Assn. Inc. (“Permit Holder”) authorizing the diversion of 0.60 cubic feet per second of groundwater and waste water for irrigation use in the Government Lot 3 (NE¼NW¼) and the SE¼NW¼ of Section 3 of Township 01 North, Range 01 East, B.M., Ada County. A condition of permit approval required the Permit Holder to submit proof of beneficial use of water to the Department on or before January 2, 2015.
2. On October 31, 2014, the Department notified the Permit Holder by certified mail that proof of beneficial use was due and instructed the Permit Holder of the steps to be taken to submit a *Statement of Completion for Submitting Proof of Beneficial Use* (“Proof”) or a *Request for Extension of Time* (“Extension Request”).
3. On December 11, 2014, the Department approved an Extension Request, which extended the time within to submit proof of beneficial use to January 2, 2020.
4. On October 31, 2019, the Department notified the Permit Holder that Proof was due January 2, 2020.
5. On January 6, 2020, the Department notified the Permit Holder the Permit lapsed because no Proof or Extension Request had been received.
6. On January 27, 2020, the Permit Holder filed Proof.

**CONCLUSIONS OF LAW**

Idaho Code § 42-218a states, in pertinent part:

A permit upon which the proof of beneficial use has not been submitted, or a request for extension of time has not been received on or before the date set for such proof, shall lapse and be of no further force nor effect. Notice of said lapsing shall be sent by the department to the permit holder at the address of record by regular mail . . . .

Idaho Code § 42-218a (1) states, in pertinent part:

Within sixty (60) days after such notice of lapsing the department may, upon a showing of reasonable cause, reinstate the permit with the priority date advanced a time equal to the number of days that said showing is subsequent to the date set for proof . . . .

By submitting an acceptable Proof, the Permit Holder has shown reasonable cause why this permit should be reinstated. The permit should be reinstated based upon the January 27, 2020, filing date.

**ORDER**

IT IS HEREBY ORDERED that Permit No. 63-33186 is **REINSTATED** and the permit's priority date is advanced to April 10, 2009.

## **EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER**

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

### **PETITION FOR RECONSIDERATION**

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

### **EXCEPTIONS AND BRIEFS**

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

### **REQUEST FOR HEARING**

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

### **ORAL ARGUMENT**

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

### **CERTIFICATE OF SERVICE**

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

### **FINAL ORDER**

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

### **APPEAL OF FINAL ORDER TO DISTRICT COURT**

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.
