DEPARTMENT OF
WATER RESOURCES

STATE OF IDAHO
WATER RESOURCE BOARD
WATER SUPPLY BANK
REQUEST TO RELEASE A WATER RIGHT FROM THE BANK

ONE FORM PER WATER RIGHT

All water rights leased into the Water Supply Bank shall remain unused by the water right holder for the duration of the Lease Contract. The water right will not be released from the Water Supply Bank until the conclusion of the Lease Contract unless otherwise authorized by the Idaho Water Resource Board. Water right holders may use this form to petition for early termination of their Water Supply Bank Lease Contract.

Water right holders seeking an early termination of a Lease Contract must demonstrate justifiable need for the release. Water rights under Lease Contract that are eligible for early termination can be released from the Water Supply Bank if the release will not impair administration of the Water Supply Bank. **If a water right is currently rented, it cannot be considered for release until the Rental Agreement concludes.** A water right is not released from the Water Supply Bank until written release confirmation is issued by the Water Supply Bank.

**RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION FOR WATER
RIGHTS: 34-14255 & 34-14257**

Dear Lessor:

This notice is confirmation that the above listed water rights are being released from the Water Supply Bank, per your February 18, 2020 water right release request. The following confirms the release:

Lease Contract ID	Contracted Water Rights	Contract Start	Contract End
938	34-14255 & 34-14257	1/1/2019	2/20/2020

If you would like to renew the lease of these right(s) to the Bank, a new Application to Sell or Lease a Water Right to the Water Supply Bank form is required. If you have not already done so, you can download and complete a new lease application form by visiting the Department's website at www.idwr.idaho.gov.

A water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. The five-year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have any questions regarding this matter, please contact me at (208) 287-4936.

Sincerely,

Remington Buyer
Water Supply Bank Coordinator
