#### STATE OF IDAHO DEPARTMENT OF WATER RESOURCES

The Idaho Department of Water Resources ("Department") has examined this application for temporary approval to use water under the provisions of Idaho Code § 42-202A and has determined that:

\_\_\_\_ A. The application for temporary approval should be denied because \_\_\_\_\_\_

 $\checkmark$  B. The application for temporary approval should be approved, since

- 1. The temporary approval can be properly administered.
- 2. Other water sources are not readily available.
- 3. The approval is in the public interest.
- 4. The approval will not injure known public values associated with the water source or any known water rights.
- 5. If the temporary approval is within a water district, the Department has sought and considered the recommendations of the watermater.

This application is therefore hereby:

A. DENIED

B. APPROVED, subject to the following conditions:

- 1. Diversion and use of water under this approval is subject to all valid existing water rights.
- 2. The applicant assumes all risk of the use of the water under this approval.
- 3. This approval authorizes a maximum diversion volume of  $\underline{3440}$  AF and a maximum diversion rate of  $\underline{20}$  cfs.
- 4. This approval does not grant a right-of-way across the land of another.
- 5. The Department may cancel or reduce the rate of flow or volume authorized by this approval. For example, the Department may cancel or reduce this approval if it concludes the water use is injuring other water rights or adversely affecting fish, wildlife or other public values.
- 6. The applicant shall not divert water when downstream minimum flow water rights are not being satisfied.
- 7. This approval does not create a continuing right to use water.
- 8. A temporary approval for ground water recharge or prevention of flood damage shall be an opportunistic use of surplus water and shall not interfere with the filling of surface water reservoirs.
- 9. For a temporary approval authorizing ground water recharge or ground water or surface water remediation, the applicant shall measure and record the weekly quantity of water diverted and report the diversion data to the Department upon request.
- 10. This temporary approval is not an authorization for the described water use to be used as mitigation or credit for any other purpose.
- 11. Other: Diversion under this approval is limited to times when the flow at the

Snake River near Minidoka gage (#13081500) exceeds 2700 cfs and excess water 12. This approval expires on Nov 30, 2020 is spilling past Milner Dam. this \_\_\_\_\_\_ day of \_\_\_\_\_\_ March \_\_\_\_\_, 2020 Signed this

For the Department

### WEARYRICK DITCH COMPANY TEMPORARY WATER USE APPLICATION: PLACE OF USE SUPPLEMENT

The place of use will be the entire length of the Wearyrick Ditch from the point of diversion along the channel described on the attached map. For purposes of this application no water will be diverted from the main Wearyrick Ditch channel as described in the attached map. Flow measurement at the point of diversion and at the return flow point on the described channel will be documented daily while water is being diverted under this temporary permit.

RE: Application for Temporary Approval of Water Use: TP-1-100

Dear Applicant:

Your application for temporary water appropriation has been approved and is enclosed. The approval authorizes the temporary use of water and does not grant trespass or other activity on public land or on private property.

Please review the conditions of approval on page 2 of the Application for Temporary Approval form to understand the limitations associated with the temporary use of water.

This temporary approval **expires on** November 30, 2020. The expiration date cannot be extended under this temporary approval.

If you have any questions, please feel free to contact this office, and any of our agents will be able to assist you. If you require additional information regarding this matter, please call me at (208) 497-3793 or email me at Christina.Henman@idwr.idaho.gov.

Sincerely,

Christina Henman Administrative Asst. I.

Enclosure(s) Receipt

cc: TONY OLENICHAK, Water District 01.

Department of Water Resources

## **RECOMMENDATION OF WATERMASTER**

Application for Temporary Approval of Water Appropriation

## **TP-1-100** WEARYRICK DITCH COMPANY

Watermaster's Recommendation:

a) \_\_\_\_\_ I do not oppose approval of this application.
b) \_\_\_\_\_ I do not oppose approval of this application if it is conditioned as follows:

MISCHARGE AT MINITOKA DAM MUST EQUAL OR EXCEED DELIVERY TO HYDRO POWER WATER RIGHT 1-217 CURRENTLY LIMITED TO 2,470 CFS ..... AND..... EXCESS WATER MUST BE SPILLING PAST MILNER, DAM.

c) I oppose approval of this application for the following reasons:

d) Additional Comment:

Dated this <u>28</u> day of <u>FEBRUARY</u>, 2020.

Water District No: \_01\_\_
