RE: Water Right 94-9118

Dear Interested Party:

Thank you for your letter regarding water right 94-9118. Water right 94-9118 (current owner Dan Ruth) is appurtenant to parcel RP49N01E240350 that is currently owned by Aaron Gomes. The source is an unnamed stream tributary to the Coeur D'Alene River.

According to tax lot information available to the Department, the parcel number to the property you purchased is RP49N01E240150. It does not appear that there are any water rights appurtenant to your property. If you are using water from the unnamed stream, you are required to have a water right. I have attached an application for permit and the instructions for your benefit. Forms are also available at www.idwr.idaho.gov.

I have also enclosed a water right report and map showing the place of use for water right 94-9118.

Please contact me at (208) 287-4942 if you have any questions concerning this letter.

Sincerely,

Jean Hersley

RE: **right # 94-9118**

Dear Sir or Madam:

We have purchased the property in Shoshone County (T49N R01E S24), commonly known as 2000 Old River Road, Kingston Idaho 83839.

Our water source is a stream which is a tributary of the CdA River. The above mentioned Water Right Number was issued for one home not to exceed 13,000 gallons per day.

I am writing to confirm that this right to water is attached to the home. Also to inform you of the new ownership.

Please let me know if this is anything further that I need to do.

Thank you for your attention,

A handwritten signature in blue ink, appearing to read "Joy Backman", with a long horizontal flourish extending to the right.
