To Whom It May Concerns,

I, Don G. Gunderson the duly elected Watermaster of MCWD45~f has written this document for the purpose of stating that the Estate of Alla Marie Crawforth, known as the [Crawforth Ranch]. The water rights were all Decreed Surface Water rights governed under the state at .02 cfs per acre.

The property was sold off in smaller acre parcels, were all Surface water Decreed rights with a Priority date of 8/8/1875. They all have been transferred for the exception of the Glenn Reeder parcel, which is currently owned by Matt Yeaman. I understand he is in the process of transferring the ownership in his name.

Note, the decreed water rights are all delivered off of Marsh Creeks POD [Sec. 12, Twp 12S, Rge. 24E], and delivered thru a Lateral known as the "Starrh Ditch" to 12S R25E S06. They are all setup on a rotation system using the measurement at the POD release.

The property that was sold off to a contractor for the development of a Sub-division on 1/2 acre lots was a Groundwater right. This Sub-division housing is all on the City of Albion's Groundwater system within the city.. They do not have a water right within the MCWD45~f.

Respectively submitted,

Don G. Gunderson, Watermaster
