RE: Application for Permit No. 95-17926

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 2/20/2020 and 2/27/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".

Jean Hersley
Technical Records Specialist

MEMORANDUM

Date: 2/5/2020
To: WR No. 95-17926
From: Emily Skoro
Re: Pre-Advertisement Application Review

Applicant

The applicant is Stephen Reilly who has signature authority. The application was received on January 27, 2020.

Source, Diversion System, and Water Use

The proposed POD is located on a dock near the shore of Coeur d'Alene Lake which is a tributary to Spokane River. The proposed POD is a pump and pipe located in the lake that extends to the proposed POU which includes one home. The application for permit requests a domestic beneficial use to supply the household. The time required for completion of works and application of water to the domestic beneficial use is one year.
