RE: Notice of Change in Water Right Ownership: 27-4090

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

\*\*\*\* **Evidence of Water Right Ownership:** copy of a deed or other legal document indicating your ownership of the entire place of use of the water right. It appears a portion of the water right is located in SWNW Gov Lot 2 Section 19 Township 5 South Range 44 East and you do not own any property within that quarter quarter according to the legal description on the deed we received. According to the taxlot data that property is owned by Randall and Sally Peterson. I have attached a map showing the current place of use of the water right, your property and the property in question.

Or

\*\*\*\* **Filing Fee:** If you do not own the entire place of use of the water right an additional filing fee is required to split the water right. The total filing fee for a split is \$100.00 per water right, the department already received \$25.00 therefore the additional fee would be \$75.00.

Because the Department cannot process the Notice without proper documentation we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

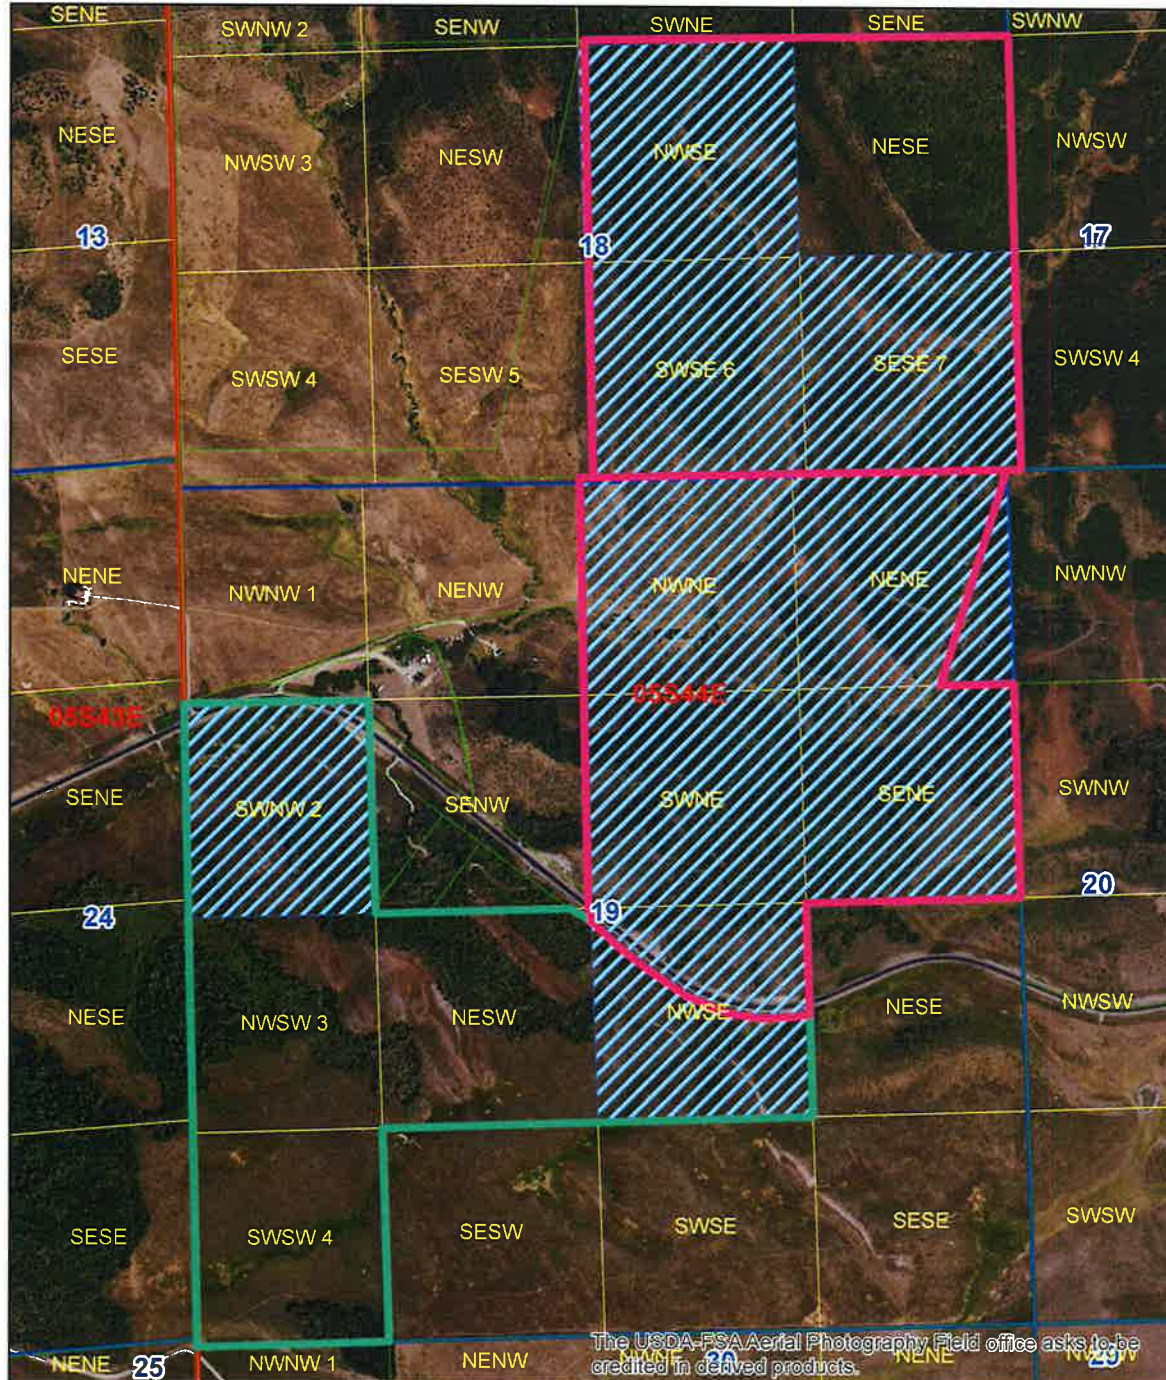

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg  
Technical Records Specialist 1
