SAN FRANCISCO CA 94111-3727

RE: Notice of Change in Water Right Ownership: 31-12200

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** The department acknowledges receipt of instrument number 57189, Warranty Deed for BLF Land LLC to Brown Delta II LLC. During my review of the Warranty Deed I did not see any portion of the legal description that covers water right 31-12200 which is the homestead-domestic water right. The parcel it appears to be attached to is RP09N36E299135, according to the county parcel information that parcel is in the name of Brown Delta II, LLC we just need a copy of the deed. The only parcel I can find in Section 29 Township 9 North Range 36 East is on page 5 of 9 of instrument number 57189 and appears to cover parcel number RP09N36E299030. There is one other discrepancy that we need to clarify on the application the water right information attachment shows the proposed new owner is Brown Alpha II LLC so I just want to verify this should go into Brown Delta II LLC not Brown Alpha II LLC.

Because the Department cannot process the Notice without proper documentation we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
