RE: Notice of Change in Water Right Ownership: 27-23E & 27-10499

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Transfer Application:** It appears we have all the information required to update 27-23E, however additional information is required to complete 27-10499. During our review we found that the decreed place of use for water right 27-10499 is in the NENW Section 9 Township 3 South Range 35 East, your property is located in NWNW Section 9 Township 3 South Range 35 East. The conditions of approval shows this water right is appurtenant to parcel number RP1302100, which is the parcel associated with property address 1622 Riverton Rd, which you purchased. However the department cannot change the place of use of a water right to another quarter quarter without a transfer. If the department has enough evidence to prove this is a clerical error the transfer fee will be \$50.00, otherwise the transfer filing fee would be \$200.00. Please review the transfer application enclosed, if you need assistance completing the application don't hesitate to contact our office and a water resource agent can assist you.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
