RE: Application for Permit No. 63-34374 Rule 40 Extension Granted

Dear Representative,

On June 3, 2019, the Idaho Department of Water Resources (Department) sent a letter to request additional information relevant to Application for Permit No. 63-34374. This Rule 40 request is required for any large diversion greater than 5.00 cfs, 500 af or 200 acres. On July 2, 2019, the Department received an extension request from the Representative to submit the Rule 40 information for up to six months.

This is notice that your request has been granted and the information outlined in IDWR's letter dated June 3, 2019 shall be received no later than December 3, 2020.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Patrick Kelly', is written over a horizontal line.
