**RE: Withdrawal of Protests – Application for Permit 63-34790**

Dear Parties:

The Idaho Department of Water Resources (Department) acknowledges receipt of the attached withdrawals of protest against the above referenced application for permit.

The application has no remaining protests, so the Department will take the steps necessary to bring the application to final resolution.

Additionally, the withdrawal of all active protests against the application resolves the contested case created by the protests, so **the prehearing conference in this matter that was scheduled for Thursday, February 6, 2020 at 10:00 a.m. is now canceled.**

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Nick Miller', is written over a horizontal line.
