WD170 has no objections to this transfer. I would like to see the protested application for permit (74-16222) withdrawn concurrent with the approval of the transfer.

The application protestant, L9 Water Users, may have comment on the transfer. I have notified them and forwarded a copy of the transfer, asking that they submit any comments soon as possible. Orie Cockrell has been in contact with the Hunts but was not aware of the transfer filing.
