RE: Water Right Change in Ownership No(s): 11-941, 11-942, 11-943, 11-7682, 11-7684 & 11-7686

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

**** **Filing Fee:** \$100 per water right for changes resulting from division of a water right. According to the legal description on the Warranty Deed received, you did purchase a portion of the water rights listed above. In order for the department to complete the ownership change a split is required. The filing fee for a split is \$100.00 per water right, therefore the total filing fee is \$600.00 (6 X \$100.00 = \$600.00). The department already received \$125.00, therefore an additional \$475.00 is required. Please submit \$475.00.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
