This application proposes the diver-
sion and use of water from the Lemhi
River tributary to the Salmon Wild & Sce-
nic River. The decreed minimum stream
flow rights for the federal Wild & Scenic
Rivers are subordinate to certain catego-
ries of water use and to specific amounts
of water use established after the mini-
mum stream flow. The water use pro-
posed in this application will benefit from
the subordination provision because the
diversion rate and acres will be applied to
the subordination amounts specified in the
decree for the Wild & Scenic River listed
above.

This application proposes the diversion and use of water from a tributary of the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. Some of the water use proposed in this application will benefit from the subordination provision because it is for de minimus stockwater purposes. The irrigation water use proposed in this application will benefit from the subordination provision because the diversion rate and acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact the State office at (208) 287-4800; or for a full description of the right(s), please see <https://idwr.idaho.gov/apps/ExtSearch/WRAApplicationResults/>. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, State Office, 322 E Front St, PO Box 83720, Boise, ID 83720 together with a protest fee of \$25.00 for each application on or before 11/25/2019. The protestant must also send a copy of the protest to the applicant.
