RE: Water Right Change of Ownership No. 34-2323C

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** A full chain of title back to the current owner of the water right according to the departments records. The current owner of the water right is Hintze Farms, the deed we received is a Quit Claim Deed from Lin and Diane Hintze to Leslie and Janet Ball; however the water right is in the name of Hintze Farms. In order for the department to complete the ownership change a full chain of title is required.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
