## REQUEST FOR EXTENSION OF TIME

To provide additional time in which to submit proof of beneficial use for a water right permit

The Idaho Department of Water Resources will consider this form a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code, in which to complete development of a water right and file proof of beneficial use of water. There is a **FILING FEE of \$50.00** to be included with this form when filed with IDWR.

Permit no. 63-33508 Date proof is due September 1, 2019  
 Name(s) of permit holder(s) G.O. Investments Idaho, LLC  
 Mailing address 26358 Sand Road City Parma State ID Zip 83660  
 Telephone no. (208) 722-5800 Email \_\_\_\_\_

Describe what work has been completed toward the development of this water right:

If no work has been completed, show "none".

One of the 2 needed control structures has been built and installed. See companion Water Right No. 63-32460 which recently was granted an extension of time. The statement of completion due and lapse notices for 63-33508 were sent to an incorrect address, not the currently effective address on Permit No. 63-33508. On this basis, reinstatement of Permit No. 63-33508 with its original priority date is requested along with an extension of time.

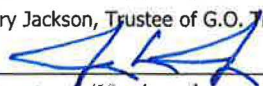

Costing \$ 25,000.00

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

An extension of time pursuant to I.C. 42-204(4) is requested due to project size, the amount of water involved, and the principal's desire to involve Ducks Unlimited in further development of this wildlife project. Ducks Unlimited would not commit to involvement in the project until the case involving duck baiting charges against the principal was resolved. That case was concluded last year with a decision by the U.S. Court of Appeals of the Ninth Circuit, 894 F.3d 1094 (2018).

Permit holder(s) request an extension for 5 year(s).

### ACTION OF THE DEPARTMENT OF WATER RESOURCES

The Department has reviewed the explanation for delay and concludes the reason(s) for delay meets the requirements for approval of the Request for Extension of Time as provided by Section(s) 42-204 and/or 42-218, Idaho Code.
