RE: RETURNED APPLICATION(S) TO LEASE WATER RIGHT NO 34-713B TO THE WATER SUPPLY BANK

Dear Applicant:

The Idaho Department of Water Resources (Department) received An Application to Sell or Lease a Water Right to the Water Supply Bank from Velma Metcalf for the Lynn J Metcalf And Velma L Metcalf Trust on December 5 2019, for water right 34-713B. After reviewing the request, it was determined that additional information was needed to process your request.

Correspondence was sent on December 18 2019, requesting the required information. As of the date of this letter, no information has been received. The information the Department needed was an authorization for Mr. Christensen to act on behalf of the Trust and payment for the application filing fee.

This letter is notice that the attached application to lease water to the Bank is being returned. The Bank rules provide criteria to be considered when determining whether to accept a water right into the Bank. One of the criteria for consideration is the authorization of any representatives to act on behalf of the water right owner.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. This and other water right forms are available from the Department's web site at www.idwr.idaho.gov.

If you have questions regarding this matter, please contact me at (208) 287-4936.

RESPONSE DEADLINE:

RE: Action Required on WSB Lease Application 1525

Dear Applicant,

The Department of Water Resources (Department) has conducted a preliminary review of your application to lease water right 34-713B to the Water Supply Bank and determined that your application is incomplete. The following items are required to continue processing your application:

- Filing fee for lease application 1525
- Confirmation Mr. Christensen is an authorized agent for the Lynn J Metcalf & Velma L Metcalf Trust

To be considered complete, Water Supply Bank rule 25 requires the application filing fee be submitted before we can begin processing. We also require the person(s) submitting any application present proof they are an authorized agent or the current owner of the water right. Per IDWR records it appears at this time the water right is owned by the Lynn J Metcalf & Velma L Metcalf Trust. The Department requires documentation that Mr. Christensen is an authorized agent of the trust or is in some way authorized to sign the application on behalf of the trust.

To continue processing of your application, our office requires documentation to confirm the authority of Mr. Christensen to submit the application on behalf of the trust as well as the \$250 application filing fee. Please provide us with the above requested information within 30 days (deadline of January 15, 2020), so that we can begin processing of your application. If we do not hear from you prior to the established deadline, your application will be returned to you and your filing fee will be refunded.

If you have any questions, please contact me at (208) 287-4936.

Regards,

Justin Ferguson
