However, if monies have been deposited with Lender pursuant to this Section 1.03, said funds shall be applied toward such payment and the excess, if any, shall be returned to Borrower.

1.04 FURTHER TAXES. In the event of the passage, after the date of this Mortgage, of any law deducting from the value of the Property, for the purposes of taxation, any lien thereon or security interest therein, or changing in any way the laws now in force for

the taxation of mortgages, deeds of trust and/or security agreements or debts secured by mortgages, deeds of trust and/or security agreements, or the manner of the collection of any such taxes, which has the effect of imposing payment of the whole or any portion of any taxes, assessments or other similar charges against the Property upon Lender, the Secured Indebtedness shall immediately become due and payable at the option of Lender; provided, however, that such election by Lender shall be ineffective if prior to the due date thereof: (1) Borrower is permitted by law (including, without limitation, applicable interest rate laws) to, and actually does, pay such tax or the increased portion thereof (in addition to continuing to pay the Secured Indebtedness as and when due and payable); and (2) Borrower agrees with Lender in writing to pay, or reimburse Lender for the payment of any such tax or increased portion thereof when thereafter levied or assessed against the Property or any portion thereof. Any money paid by Lender under this Section 1.04 shall be reimbursed to Lender in accordance with Section 5.09 hereof.

1.05 INSURANCE.

(a) Borrower, at its sole cost and expense, shall at all times, unless otherwise indicated, provide, maintain and keep in force:

(1) property insurance covering the Improvements and Personal Property against loss or damage from such causes of loss as are embraced by insurance policies of the type now known as “**All Risks**” or “**Open Perils**” property insurance on a replacement cost basis with an Agreed Value Endorsement waiving co-insurance, all in an amount not less than one hundred percent (100%) of the then full replacement cost of the Improvements (exclusive of the cost of excavations, foundations and footings below the lowest basement floor) and Personal Property, without deduction for physical depreciation thereof. Such property insurance shall include a Demolition and Increased Cost of Construction Endorsement, if required by Lender, as well as such other insurance as Lender may from time to time designate to cover other risks and hazards affecting the Property;

(2) flood insurance in an amount equal to the lesser of 100% of the full replacement cost of the Improvements, or the maximum amount of insurance obtainable; provided, however, that such insurance shall be required only when all or any portion of the Land is located within a 100-year flood plain or area designated as subject to flood by the Federal Emergency Management Agency or any other governmental agency, or when required by any federal, state or local law, statute, regulation or ordinance;

(3) builder’s risk insurance insuring against loss or damage from such causes of loss as are embraced by insurance policies of the type now known as “**Builder’s Risks**” property insurance (written on an “all risk” or “open perils” basis), including, without limitation, fire and extended coverage, collapse of the improvements to agreed limits, all in form and substance acceptable to Lender and (i) as to property then subject to Restoration (as defined in Section 1.07(b)) or any restoration accomplished in connection with a Condemnation, in an amount not less than the full replacement cost of such

property, and (ii) as to any additional improvements then being constructed, in an amount not less than the completed value on a non reporting form, of the additional improvements then being constructed; provided, however, that such insurance shall be required only during any period of Restoration or any restoration accomplished in connection with a Condemnation, or any period of construction of any additional improvements in excess of _____ in the aggregate, in any given fiscal year;

(4) general liability insurance insuring against claims for personal injury (including, without limitation, bodily injury or death), property damage liability and such other loss or damage from such causes of loss as are embraced by insurance policies of the type now known as "**Commercial General Liability**" insurance, all in such amounts as Lender may require from time to time. Such insurance coverage shall be issued and maintained on an "occurrence" basis; and

(5) such other insurance and in such amounts, as may, from time to time, be required by Lender against other insurable hazards or risks, including, but not limited to, environmental impairment liability coverage, which hazards or risks at the time are commonly insured against, and provided such insurance is generally available, for property similarly situated, due regard being given to the type of building, its construction, use and occupancy.

(b) Except as herein expressly provided otherwise, all policies of insurance required under this Section 1.05 shall be issued by companies, and be in form, amount, and content and have an expiration date, approved by Lender and as to the policies of insurance required under subparagraphs (1), (2) and (3) of Section 1.05(a), shall contain a Standard Non-Contributory Mortgagee Clause or Lender's Loss Payable Endorsement, or equivalents thereof, in form, scope and substance satisfactory to Lender, in favor of Lender, and as to policies of insurance required under subparagraphs (1), (2) and (3) of Section 1.05(a), shall provide that the proceeds thereof ("**Insurance Proceeds**") shall be payable to Lender during the continuance of an Event of Default, or in the event the damage to the Improvements or Personal Property exceeds _____

Borrower hereby authorizes and empowers Lender to settle, adjust or compromise any claims for loss, damage or destruction to the Property in excess of _____ regardless of whether there are Insurance Proceeds available or whether any such proceeds are sufficient in amount to fully compensate for such loss or damage, but Lender shall not be obligated to so settle, adjust or compromise; provided, however, so long as no Event of Default exists, Lender shall not settle, adjust or compromise such claims for loss, damage or destruction to the Property without Borrower's consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Lender shall be furnished with the original or certified copy of each policy required hereunder, which policy shall provide that it shall not be modified or canceled without thirty (30) days' prior written notice to Lender. At least thirty (30) days prior to expiration of any policy required hereunder, Borrower shall furnish Lender appropriate proof of issuance of a policy continuing in force the insurance covered by the policy so expiring. Borrower shall furnish Lender receipts for the payment of premiums on such insurance policies or other evidence of such

payment reasonably satisfactory to Lender in the event that such premiums have not been paid to Lender pursuant to Section 1.06 hereof. In the event that Borrower does not deposit with Lender a new policy of insurance with evidence of payment of premiums thereon at least thirty (30) days prior to the expiration of any policy, then Lender may, but shall not be obligated to, procure such insurance and pay the premiums therefor and any money paid by Lender for such premiums shall be reimbursed to Lender in accordance with Section 5.09 hereof.

(c) In the event of the foreclosure of this Mortgage or other transfer of the title to the Property in extinguishment, in whole or in part, of the Secured Indebtedness, all right, title and interest of Borrower in and to any insurance policy, or Premiums (as hereinafter defined) or payments in satisfaction of claims or any other rights thereunder then in force, shall pass to the purchaser or grantee. Nothing contained herein shall prevent accrual of interest as provided in the Note on any portion of the Secured Indebtedness to which the Insurance Proceeds are to be applied until such time as the Insurance Proceeds are actually received by Lender and applied by Lender to reduce the Secured Indebtedness.

1.06 ESCROW DEPOSITS. Borrower shall pay all (1) Impositions prior to delinquency, and (2) all premiums, when due, for the insurance policies required under Section 1.05(a) hereof ("**Premiums**"). In the event that Borrower does not timely pay such sums for Premiums and Impositions, then Lender may, but shall not be obligated to, pay such Premiums and Impositions and any money so paid by Lender shall be reimbursed to Lender in accordance with Section 5.09 hereof.

1.07 RESTORATION.

(a) After the happening of any casualty to the Property, whether or not required to be insured against under the insurance policies to be provided by Borrower hereunder, Borrower shall give prompt written notice thereof to Lender generally describing the nature and cause of such casualty and the extent of the damage to or destruction of the Property. Notwithstanding anything contained herein to the contrary, Borrower shall take any and all necessary action to preserve and protect the Property immediately subsequent to the occurrence of any such casualty whether or not such notice or any consent of Lender has been obtained

(b) During the continuance of an Event of Default, or in the event damage or destruction to the Property exceeds Borrower shall assign to Lender all Insurance Proceeds which Borrower may be entitled to receive. In the event of any damage to or destruction of the Property, and provided (1) an Event of Default does not currently exist, and (2) Lender has determined that (i) its security has not been impaired, and (ii) the repair, restoration and rebuilding of any portion of the Property that has been partially damaged or destroyed can be accomplished in full compliance with all Requirements (as defined in Exhibit A) to the same condition, character and general utility as nearly as possible to that existing prior to such damage or destruction and at least equal value as that existing prior to

such damage or destruction (the "**Restoration**"), then Borrower shall commence and diligently pursue to completion the Restoration. In the event damage to or destruction of the Property exceeds _____ in value, Lender may, but shall not be obligated to, hold and disburse the Insurance Proceeds less the cost, if any, to Lender of recovering such proceeds including, without limitation, attorneys' fees and expenses, adjusters' fees, and fees incurred in Lender's performance of its obligations hereunder (the "**Net Insurance Proceeds**") in the manner hereinafter provided, to the Restoration. In the event that the above conditions for Restoration have not been met, Lender may, at its option, apply the Net Insurance Proceeds to the reduction of the Secured Indebtedness in such order as Lender may determine and Lender may declare the entire Secured Indebtedness immediately due and payable.

(c) In the event the Net Insurance Proceeds are to be used for the Restoration and the cost for such Restoration exceeds _____, Borrower shall comply with Lender's Requirements For Restoration as set forth in Exhibit D attached hereto and made a part hereof. Upon Lender's receipt of a final certificate of occupancy or other evidence of approval of appropriate governmental authorities for the use and occupancy of the Improvements and other evidence requested by Lender that the Restoration has been completed and the costs thereof have been paid in full, and satisfactory evidence that no mechanic's or similar liens for labor or material supplied in connection with the Restoration are outstanding against the Property and provided that an Event of Default does not currently exist, Lender shall pay any remaining Restoration Funds (as defined in Exhibit D) then held by Lender to Borrower; provided, however, nothing contained herein shall prevent Lender from applying at any time the whole or any part of the Restoration Funds to the curing of any Event of Default.

(d) In the event that Lender applies all or any portion of the Restoration Funds to repay the unpaid Secured Indebtedness as provided in this Section 1.07, after payment in full of the Secured Indebtedness, any remaining Restoration Funds shall be paid to Borrower.

1.08 CONDEMNATION. Should the Property or any part thereof be taken by reason of any condemnation or similar eminent domain proceeding, or a grant or conveyance in lieu thereof ("**Condemnation**"), during the continuance of an Event of Default, Lender shall be entitled to all compensation, awards and other payments or relief therefor, and shall be entitled at its option to commence, appear in and prosecute in its own name any action or proceeding or to make any compromise or settlement in connection with such Condemnation. Borrower hereby irrevocably constitutes and appoints Lender as its attorney-in-fact, and such appointment is coupled with an interest, to commence, appear in and prosecute any action or proceeding or to make any compromise or settlement in connection with any such Condemnation. During the continuance of an Event of Default, all such compensation, awards, damages, rights of action and proceeds (collectively, the "**Condemnation Proceeds**") shall be assigned to Lender, and Lender shall have the right, after deducting therefrom the after deducting therefrom its reasonable expenses, including attorneys' fees ("**Condemnation Expenses**"), to apply the balance of the Condemnation Proceeds to the Secured Indebtedness,

in such manner and such order as Lender in its sole discretion shall determine, without adjustment in the dollar amount of the installments due under the Note. Nothing contained herein shall prevent the accrual of interest as provided in the Note on any portion of the Secured Indebtedness to which the Condemnation Proceeds are to be applied until such Condemnation Proceeds are actually received by Lender and so applied to reduce the Secured Indebtedness.

1.09 CARE AND USE OF THE PROPERTY.

(a) Borrower, at its sole cost and expense, shall keep the Property in good order, condition, and repair, and make all necessary repairs thereto, interior and exterior, structural and non-structural, ordinary and extraordinary, and foreseen and unforeseen. Borrower shall abstain from, and not permit, the commission of waste in or about the Property and, except as may be specifically permitted in this Section 1.09(a), shall not remove or demolish, or alter in any substantial manner, the structure or character of any Improvements without the prior written consent of Lender. Borrower may sell or otherwise dispose of, free from the lien of this Mortgage, furniture, furnishings, equipment, tools, appliances, machinery, fixtures, or appurtenances subject to the lien hereof, which may become worn out, undesirable, obsolete, disused or unnecessary for use in the operation of the Property, provided that such sales or transfers are replaced or substituted for the same, other furniture, furnishings, equipment, tools, appliances, machinery, fixtures, or appurtenances not necessarily of the same character, but of at least equal value to Borrower and costing not less than the amount realized from the property sold or otherwise disposed of, which shall forthwith become, without further action, subject to the lien and security interest of this Mortgage, and free and clear of all other liens including without limitation vendor's liens.

(b) Borrower shall at all times comply with all present or future Requirements affecting or relating or pertaining in any way to the Property and/or the use, operation and/or the maintenance thereof, and shall furnish Lender, on request, proof of such compliance. Borrower shall not use or permit the use of the Property, or any part thereof, for any illegal purpose.

(c) Lender and Lender's representatives and designees shall have the right, but not the duty, to enter the Property at reasonable times to inspect the same. Lender shall not be liable to Borrower or any person in possession of the Property with respect to any matter arising out of such entry to the Property.

(d) Borrower shall, from time to time, if and when required by Lender subject to the terms of the Loan Agreement (1) perform or cause to be performed a site investigation of the Property to determine the existence and levels of Hazardous Substances (as defined in Exhibit A) on the Property, (2) cause to be issued a report certifying the results of such inspection to Lender, and (3) take or cause to be taken such remedial action as may be required by Lender based upon such report.

(e) Borrower shall use, or cause to be used, the Property continuously as and for first class property of its type and kind at the time of the execution of this Mortgage. Borrower shall not use, or permit the use of, the Property for any other use without the prior written consent of Lender.

(f) Borrower shall not initiate or acquiesce in a change in the zoning classification of and/or restrictive covenants affecting the Property or seek any variance under existing zoning ordinances applicable to the Property or use or permit the use of the Property in such a manner which would result in such use becoming a non-conforming use under applicable zoning ordinances or other applicable laws, ordinances, rules or regulations or subject the Property to restrictive covenants without Lender's prior written consent.

1.10 BOOKS, RECORDS AND ACCOUNTS. Borrower shall keep and maintain or shall cause to be kept and maintained on a fiscal year basis, in accordance with generally accepted accounting principles, consistently applied, proper and accurate books, records and accounts reflecting all of the financial affairs of Borrower with respect to all items of income and expense in connection with the operation of the Property, whether such income or expense be realized by Borrower or by any other person whatsoever (excepting lessees unrelated to and unaffiliated with Borrower who have leased from Borrower portions of the Property for the purpose of occupying the same). Lender or its representatives or designees shall have the right from time to time at all times during normal business hours to examine, with respect to the Property, such books, records and accounts at the office of Borrower or other person maintaining such books, records and accounts and to make copies or extracts thereof as Lender shall desire. Lender shall also have the right to discuss Borrower's affairs, finances and accounts with representatives of Borrower, at such reasonable times as may be requested by Lender.

1.11 SUBROGATION. As additional security hereunder, Lender shall be subrogated to the lien, although released of record, of any and all encumbrances paid out of the proceeds of the loan evidenced by the Note and secured by this Mortgage. Lender, upon making such payment, shall be subrogated to all of the rights of the person, corporation or body politic receiving such payment.

1.12 COLLATERAL SECURITY INSTRUMENTS. Borrower covenants and agrees that if Lender at any time holds additional security for any obligations secured hereby, it may enforce the terms thereof or otherwise realize upon the same, at its option, either before or concurrently herewith or after a sale is made hereunder, and may apply the proceeds to the Secured Indebtedness in such order as Lender may determine, without affecting the status of or waiving any right to exhaust all or any other security, including the security hereunder, and without waiving any breach or default or any right or power whether exercised hereunder or under any of the other Loan Documents, or contained herein or therein, or in any such other security.

1.13 SUITS AND OTHER ACTS TO PROTECT THE PROPERTY.

(a) Borrower covenants and agrees to appear in and defend any action or proceeding purporting to affect the Property, any other security afforded by any of the Loan Documents and/or the interest of Lender thereunder. Borrower shall immediately notify Lender of the commencement, or receipt of notice, of any such action or proceeding or other matter or claim purporting to, or which could, affect the Property, any other security afforded by any of the Loan Documents and/or the interest of Lender thereunder.

(b) Lender shall have the right, at the cost and expense of Borrower, to institute and maintain such suits and proceedings and take such other action, as it may deem expedient to preserve or protect the Property, any other security afforded by any of the Loan Documents and/or Lender's interest therein. Any money paid by Lender under this Section 1.13(b) shall be reimbursed to Lender in accordance with Section 5.09 hereof.

1.14 LENDER'S RIGHT TO PERFORM BORROWER'S OBLIGATIONS.

Borrower agrees that, if Borrower fails to perform any act or to pay any money which Borrower is required to perform or pay under the Loan Documents, Lender, at the cost and expense of Borrower and in Borrower's name or in its own name, may (but shall not be obligated to) perform or cause to be performed such act or take such action or pay any money. Any money paid by Lender under this Section 1.14 shall be reimbursed to Lender in accordance with Section 5.09 hereof.

1.15 LIENS AND ENCUMBRANCES. Borrower shall not, without the prior written consent of Lender, create, place or suffer to be created or placed, or through any act or failure to act, allow to remain, any deed of trust, mortgage, security interest, or other lien, encumbrance or charge, or conditional sale or other title retention document, against or covering the Property, or any part thereof, other than the Permitted Exceptions and the lien for ad valorem taxes on the Property not yet delinquent, regardless of whether the same are expressly or otherwise subordinate to the lien or security interest created in this Mortgage, and should any of the foregoing become attached hereafter in any manner to any part of the Property, Borrower shall cause the same to be promptly discharged and released. Borrower shall own all parts of the Property and, except as expressly approved in writing by Lender, shall not acquire any fixtures, equipment or other property forming a part of the Property pursuant to a lease, license, title retention document or similar agreement.

1.16 CAFO PERMITS. Borrower covenants and agrees to renew the Confined Animal Feeding Operation permits used in connection with the Real Property (the "CAFO Permits") upon or prior to their expiration date, if any, and to pay all fees and charges, and to perform all acts and things necessary to preserve and keep in good standing all of such CAFO Permits and all renewals thereof. Borrower shall take no action which would adversely affect any of such CAFO Permits.

1.17 TRANSFER OF PROPERTY. Borrower shall not, voluntarily or by operation of law; (a) sell, contract to sell, partition, transfer, convey, pledge, encumber, assign or otherwise hypothecate or dispose of all or any part of the Property or any interest therein; (b) sell, contract to sell, transfer, encumber, assign, merge, dissolve or otherwise hypothecate or dispose of voting control of more than ten percent (10%) of the direct or indirect beneficial interest or ownership in Borrower outstanding as of the date of this Mortgage, except as may otherwise be permitted under the terms of the Loan Agreement.

ARTICLE II

ASSIGNMENT OF RENTS AND LEASES AND OTHER AGREEMENTS AFFECTING THE PROPERTY

2.01 ASSIGNMENT. In order to further secure payment of the Secured Indebtedness and the observance, performance and discharge of Borrower's obligations under the Loan Documents, Borrower hereby grants, assigns, transfers and sets over to Lender (a) all Rents, (b) all right, title and interest of Borrower in and to all Leases, and (c) all guaranties, amendments, replacements, extensions, and renewals of the Leases and any of them.

2.02 PERFORMANCE OF LEASES. Borrower will observe and perform all covenants, conditions, and agreements in any Lease or in any assignment in fact given by Borrower to Lender of any particular Lease on the part of the Borrower or the landlord to be observed and performed thereunder. Borrower will not, without the prior written consent of Lender, (a) accept any payment of rent or installments of rent (including, without limitation, security deposits) for more than one (1) month in advance, (b) amend, sublease, assign, extend, cancel, abridge, terminate, or modify any Lease, (c) take any action or exercise any right or option which would permit the tenant under any Lease to cancel or terminate any Lease, or (d) permit any Lease to be or become subordinate to any lien other than the lien of the Mortgage or any lien to which the Mortgage is now or may pursuant to its respective terms become subordinate. As used in this Mortgage, the terms "Lease" and "Leases" shall include, without limitation, all agreements for the management, maintenance, or operation of any part of the Improvements.

2.03 ABSOLUTE ASSIGNMENT/LICENSE. This assignment of Rents and Leases is absolute and effective upon execution by Borrower. Lender grants to Borrower a revocable license to collect rents under the Leases to the extent attributable to one (1) month of the unexpired term of the Lease unless and until an Event of Default occurs and is continuing under the Loan Documents. All such rents shall be collected and held in trust for Lender, but until this license is revoked shall be used to pay the reasonable expenses of owning, maintaining, repairing, operating and renting the Improvements. Lender shall also have the right to revoke such license and collect rents under any Leases if and so long as Lender reasonably determines that an Event of Default under the Loan Documents is likely to occur and such default will result in any Leases or rental obligations becoming modified,

released, compromised or impaired or any rentals becoming improperly collected, waived, attached or embezzled. Upon exercising this assignment of Rents and Leases, Lender may take possession and control of the Improvements and shall have the sole and exclusive right and authority to manage and operate the same, to collect the rents, issues, profits and income therefrom, with full power to employ agents to manage the Improvements, and to do all acts relating to such management, including, but not limited to, contracting and paying for such repairs and replacements to the buildings and fixtures, equipment and personal property located therein and used in any way in the operation, use, and occupancy of the Improvements as in the sole judgment and discretion of Lender may be necessary to maintain the same in an operational condition, purchasing and paying for such additional materials and equipment as in sole judgment of Lender may be necessary to operate and maintain a proper income from the Improvements, employing necessary operational employees, maintenance employees, purchasing fuel, providing utilities and paying for all other necessary expenses incurred in the operation of the Improvements, maintaining adequate insurance coverage over hazards customarily insured against and paying the premiums therefor, and applying the net rents, issues, profits and income so collected from the Improvements, after deducting the cost of collection thereof, which shall include a reasonable management fee for any management agent so employed, against the amount expended for repairs, upkeep, maintenance service, fuel, utilities, taxes, assessments, insurance premiums and such other expenses as it may be necessary or desirable to incur, in the sole discretion of Lender, in connection with the operation of the Improvements, and against interest, principal or other charges which have or which may become due, from time to time, under the terms of the Loan Documents.

2.04 DELIVERY OF LEASES. In the event such an Event of Default under the Loan Documents shall have occurred and be continuing, Borrower agrees to endorse and deliver to Lender, all then existing Leases and other agreements relating or pertaining to the operation of the Property. Without limiting the provisions of the immediately preceding sentence, and whether or not Borrower endorses and/or delivers said Leases and other agreements to Lender, as aforesaid, this assignment of Rents and Leases shall be deemed to be an assignment of all such Leases and other agreements to Lender. The provisions hereof shall not limit the effect of any assignments of particular Leases and other agreements in fact given to Lender by Borrower.

2.05 NO LIABILITY OF LENDER. It is further understood that this assignment of Rents and Leases shall not operate to place responsibility for the control, care, management or repair of the Property upon Lender, nor for the performance of any of the terms and conditions of any Leases or other agreements assigned hereunder, nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other party or for any dangerous or defective condition of the Property or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury to any tenant, invitee, licensee, employee or stranger.

2.06 NOTIFICATION OF TENANTS. Lender may, at its option, notify any tenants or other parties of the existence of this assignment of Rents and Leases.

2.07 COSTS AND EXPENSES. Borrower agrees to reimburse Lender for all costs, expenses, and attorneys' fees that Lender incurs in connection with the enforcement of any obligation contained in this assignment of Rents and Leases or the collection of any rents assigned herein, with or without litigation, including, without limitation, any costs, expenses, and fees incurred: (a) in making demands for and collecting any rents; (b) in any action for rents against Borrower or any tenant; (c) on appeal; (d) in any petition for review; (e) in any arbitration or mediation; (f) in any action contesting or seeking to restrain, enjoin, stay, or postpone the exercise of any remedy in which Lender prevails; (g) in any bankruptcy, probate, receivership or other proceeding involving Borrower; and (h) in connection with all negotiations, documentation, and other actions relating to any work-out, compromise, settlement or satisfaction relating to this assignment of Rents and Leases. All such costs, expenses, and fees shall be due and payable upon demand, shall bear interest from the date incurred through the date of collection at the overdue Interest Rate stated in the Loan Documents, and shall be secured by the Mortgage.

2.08 SUBORDINATION OF LEASES. Each lease of any portion of the Property shall be absolutely subordinate to the lien of this Mortgage, but shall also contain a provision, satisfactory to Lender, that in the event of the exercise of the power of sale hereunder or a sale pursuant to a judgment of foreclosure, such lease, at the sole and exclusive option of the purchaser at such sale, shall not be terminated and the tenant thereunder shall attorn to such purchaser and, if requested to do so, shall enter into a new lease for the balance of the term of such lease then remaining, upon the same terms and conditions. If Lender so requests, Borrower shall cause the tenant under each or any of such leases to enter into subordination and attornment agreements with Lender which are satisfactory in form, scope and substance to Lender.

2.09 LEASING COMMISSIONS. Borrower covenants and agrees that all contracts and agreements between Borrower or Borrower and a third party relating to the Property to pay leasing commissions, management fees or other compensation shall (1) provide that the obligation to pay such commissions, fees and other compensation will not be enforceable against any party other than the party who entered into such agreement; (2) be subordinate and inferior to the lien of this Mortgage; and (3) not be enforceable against Lender. Borrower shall promptly furnish Lender with evidence of Borrower's compliance with this paragraph upon the execution of each such contract or agreement.

ARTICLE III SECURITY AGREEMENT

3.01 SECURITY AGREEMENT.

(a) THIS MORTGAGE CREATES A LIEN ON THE PROPERTY, AND TO THE EXTENT THE PROPERTY IS PERSONAL PROPERTY UNDER APPLICABLE LAW, THIS MORTGAGE CONSTITUTES A SECURITY AGREEMENT UNDER THE UNIFORM COMMERCIAL CODE OF THE STATE WHERE THE

PERSONAL PROPERTY IS SITUATED (THE "U.C.C.") AND ANY OTHER APPLICABLE LAW AND IS FILED AS A FIXTURE FILING. UPON THE OCCURRENCE OF AN EVENT OF DEFAULT, LENDER MAY, AT ITS OPTION, PURSUE ANY AND ALL RIGHTS AND REMEDIES AVAILABLE TO A SECURED PARTY WITH RESPECT TO ANY PORTION OF THE PROPERTY, AND/OR LENDER MAY, AT ITS OPTION, PROCEED AS TO ALL OR ANY PART OF THE PROPERTY IN ACCORDANCE WITH LENDER'S RIGHTS AND REMEDIES WITH RESPECT TO THE LIEN CREATED BY THIS MORTGAGE.

(b) The grant of a security interest to Lender in the granting clause of this Mortgage shall not be construed to derogate from or impair the lien or provisions of or the rights of Lender under this Mortgage with respect to any property described therein which is real property or which the parties have agreed to treat as real property.

(c) If required by Lender, at any time during the term of this Mortgage, Borrower will execute and deliver to Lender, in form satisfactory to Lender, additional security agreements, financing statements and/or other instruments covering all Personal Property as defined above or fixtures of Borrower which may at any time be furnished, placed on, or annexed or made appurtenant to the Real Property or used, useful or held for use, in the operation of the Improvements.

(d) Borrower hereby authorizes Lender to file with the appropriate filing officer or office such financing statements and/or other instruments as Lender may deem appropriate in order to impose and perfect the lien and security interest created hereby more specifically on the Personal Property or any fixtures. Borrower authorizes Lender to file such financing statements and amendments, assignments and continuations thereto, as Lender deems necessary to perfect its security interest in the Personal Property and to prevent its security interest from becoming unperfected.

(e) It is understood and agreed that, in order to protect Lender from the effect of U.C.C. Section 9-334, as amended from time to time, in the event that Borrower intends to purchase any goods which may become fixtures attached to the Property, or any part thereof, and such goods will be subject to a purchase money security interest held by a seller or any other party:

(1) Borrower shall, before executing any security agreement or other document evidencing or perfecting such security interest, obtain the prior written approval of Lender, and all requests for such written approval shall be in writing and contain the following information:

(i) a description of the fixtures to be replaced, added to, installed or substituted;

(ii) the address at which the fixtures will be replaced, added to, installed or substituted; and

(iii) the name and address of the proposed holder and proposed amount of the security interest.

Borrower's execution of any such security agreement or other document evidencing or perfecting such security interest without Lender's prior written approval shall constitute an Event of Default. No consent by Lender pursuant to this subparagraph shall be deemed to constitute an agreement to subordinate any right of Lender in fixtures or other property covered by this Mortgage.

(2) If at any time Borrower fails to make any payment on an obligation secured by a purchase money security interest in the Personal Property or any fixtures, Lender, at its option, may at any time pay the amount secured by such security interest. Any money paid by Lender under this Subparagraph, including any expenses, costs, charges and attorney's fees incurred by Lender, shall be reimbursed to Lender in accordance with Section 5.09 hereof. Lender shall be subrogated to the rights of the holder of any such purchase money security interest in the Personal Property.

(3) Lender shall have the right to acquire by assignment from the holder of such security interest any and all contract rights, accounts receivable, negotiable or non-negotiable instruments, or other evidence of Borrower's indebtedness for such Personal Property or fixtures, and, upon acquiring such interest by assignment, shall have the right to enforce the security interest as assignee thereof, in accordance with the terms and provisions of the U.C.C. and in accordance with any other provisions of law.

(4) Whether or not Lender has paid the indebtedness secured by, or taken an assignment of, such security interest, Borrower covenants to pay all sums and perform all obligations secured thereby, and if Borrower at any time shall be in default under such security agreement, it shall constitute an Event of Default.

(5) The provisions of subparagraphs (2) and (3) of this paragraph (e) shall not apply if the goods which may become fixtures are of at least equivalent value and quality as any property being replaced and if the rights of the party holding such security interest have been expressly subordinated, at no cost to Lender, to the lien and security interest of this Mortgage in a manner satisfactory to Lender, including without limitation, at the option of Lender, providing to Lender a satisfactory opinion of counsel to the effect that this Mortgage constitutes a valid and subsisting first lien on such fixtures which is not subordinate to the lien of such security interest under any applicable law, including without limitation, the provisions of Section 9-334 of the U.C.C.

(f) Borrower hereby warrants, represents and covenants with, to and for the benefit of Lender as follows:

(1) Borrower is the sole owner of the Personal Property, free from any lien, security interest, encumbrance or adverse claim thereon of any kind whatsoever other than the lien of this Mortgage and the Permitted Exceptions. Borrower will notify Lender of, and will protect, defend and indemnify Lender against, all claims and demands of all persons at any time claiming any rights or interest therein.

(2) The Personal Property is not used or bought and shall not be used or bought for personal, family, or household purposes, but shall be bought and used solely for the purpose of carrying on Borrower's business.

(3) The Personal Property has been located on the Land and/or Improvements for at least fifteen (15) days and will be kept on or at the Land or the Improvements and Borrower will not remove the Personal Property therefrom without the prior written consent of Lender, except as may be removed in accordance with the Loan Agreement, and except such portions or items of Personal Property temporarily stored elsewhere to facilitate refurbishing or repair thereof or of the Improvements.

(4) The name of each Borrower that is a registered entity as shown in its organizational documents and jurisdiction of organization are as set forth in the beginning of this Mortgage. No Borrower will change its name or state of organization, as applicable, without the prior written consent of Lender. BD and LSLH are each limited liability companies organized under the laws of the State of Idaho, and their state organization numbers are 0000243240 and 0000243192, respectively.

(g) As additional collateral and to further secure the Secured Indebtedness and other obligations of Borrower, Borrower does hereby absolutely, presently and irrevocably assign the proceeds of the sale of Borrower's Dairy Products, including the Receivables, due from Idaho Milk Products, Inc. ("**IMP**"), Agropur Inc. ("**Agropur**"), and Innovative Food Solutions U.S.A., L.L.C. ("**IFS**" and together with IMP and Agropur, the "**Milk Counterparties**"), in an amount and with priority sufficient to cover the monthly payments due on the Note as adjusted under the provisions thereof and under the Loan Agreement, which assignment shall commence as of the date of this Mortgage. The provisions of this Section shall apply to any replacement milk contracts with the Milk Counterparties or their successors-in-interest. Borrower covenants and agrees that it will (i) make no further or future assignments of the proceeds of the agreements under which Borrower sells Dairy Products produced on the Land, or otherwise alter the operations on the Property, in a manner which would alter or eliminate Lender's right under this Mortgage to receive from Borrower's proceeds of the sale of Dairy Products a sum sufficient to satisfy the monthly payment due under the Note, as adjusted under the provisions of the Loan Agreement. Borrower shall deliver and maintain in effect assignments of Dairy Products proceeds in form and substance acceptable to Lender. With respect to the assignments of Dairy Products for Agropur and IFS, Lender will not deliver the same to Agropur or IFS unless the proceeds from IMP are insufficient to cover the required Loan payments. Such assignments shall not be terminated or altered absent Lender's prior written consent.

ARTICLE IV DEFAULTS AND REMEDIES

4.01 EVENTS OF DEFAULT. Any of the following shall be deemed to be a material breach of Borrower's covenants herein and shall constitute a default hereunder ("Event of Default"):

(a) The failure of Borrower to pay any installment of principal, interest or principal and interest, any required escrow deposit or any other sum required to be paid under any Loan Document, whether to Lender or otherwise, when the same shall become due and payable.

(b) For fifteen (15) days after notice from Lender, Borrower is in default under any term, covenant or condition contained herein, or in the other Loan Documents, not otherwise described in this section; provided that Borrower shall give Lender immediate notice upon the occurrence of such default.

(c) Any Event of Default occurs under any Loan Document, including the Loan Agreement.

(d) Any default under any other Mortgage, security agreement or other instrument that secures (i) the Note, or (ii) any other existing or future loan made by Lender to any Borrower or any person controlling, controlled by or under common control with any Borrower.

(e) The filing by any Borrower or any guarantor of the Loan of a voluntary petition or application for relief in bankruptcy or any Borrower's or guarantor's adjudication as a bankrupt or insolvent, or the filing by any Borrower or any guarantor of any petition, application for relief or answer seeking or acquiescing in any reorganization, arrangement,

composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other statute, law, code or regulation relating to bankruptcy, insolvency or other relief for debtors, or any Borrower's or guarantor's seeking or consenting to or acquiescing in the appointment of any trustee, custodian, conservator, receiver or liquidator of any Borrower or guarantor or of all or any substantial part of the Property or of any or all of the Rents and Profits thereof, or the making of any general assignment for the benefit of creditors, or the admission in writing of its inability to pay its debts generally as they become due.

(f) If any warranty, representation, certification, financial statement or other information made or furnished at any time pursuant to the terms of the Loan Documents or otherwise, by any Borrower or by any person or entity otherwise liable under any Loan Document shall be materially false or misleading or furnished with knowledge of the false nature thereof.

(g) Any Borrower shall (i) fail to make any payment due in connection with one or more indebtedness obligations (other than under the Secured Indebtedness) or the failure to perform any other obligations in connection with such indebtedness, with such failure continuing beyond any applicable cure period; (ii) fail to perform any other obligation in connection with such indebtedness obligations and as a result thereof the holder of indebtedness has the right to declare such indebtedness immediately due and payable; or (iii) be in default under any indebtedness secured by a lien on or security interest in any portion of the Property and any related cure period has expired.

(h) If any Borrower shall suffer or permit the Property, or any part thereof, to be used in such manner as might tend to (1) impair Borrower's title to the Property, or any part thereof; or (2) create rights of adverse use or possession; or (3) constitute an implied dedication of the Property, or any part thereof.

(i) The occurrence of a transfer or encumbrance prohibited under Section 1.18 of this Mortgage or the Loan Agreement.

(j) The occurrence of an Event of Default under any of the other Loan Documents.

4.02 REMEDIES UPON DEFAULT. Upon the happening of any Event of Default, the Secured Indebtedness shall, at the option of Lender, become immediately due and payable, without further notice or demand, and Lender may forthwith undertake any one or more of the following:

(a) Foreclosure. Institute an action of foreclosure in accordance with the law of the State, or take such other action as the law may allow, at law or in equity, for the enforcement of the Loan Documents and realization on the Property or any other security afforded by the Loan Documents and, in the case of a judicial proceeding, proceed to final

judgment and execution thereon for the amount of the Secured Indebtedness (as of the date of such judgment) together with all costs of suit, attorneys' fees and interest on such judgment at the maximum rate permitted by law from and after the date of such judgment until actual payment is made to Lender in the full amount due Lender; provided, however, if Lender is the purchaser at the foreclosure sale of the Property, the foreclosure sale price (Lender's final bid) shall be applied against the total amount due Lender; and/or

(b) Possession. Lender personally, or by its agents, attorneys or receiver appointed by the court, may enter, take possession of, manage and operate all or any part of the Property, and in its own name or in the name of Borrower sue for or otherwise collect any and all rents or other proceeds of the Property and may also do any and all other things in connection with those actions that Lender may in its sole discretion consider necessary and appropriate to protect the security of this Mortgage. Such other things may include: insuring or keeping the Property insured, entering into, enforcing, modifying or canceling Leases on such terms and conditions as Lender may consider proper; obtaining and evicting tenants; fixing or modifying rents; completing any unfinished construction; contracting for and making repairs and alterations; performing such acts of cultivation or irrigation as necessary to conserve the value of the Property. Borrower hereby irrevocably constitutes and appoints Lender as its attorney-in-fact to perform such acts and execute such documents as Lender in its sole discretion may consider to be appropriate in connection with taking these measures, including endorsement of Borrower's name on any instruments. Borrower agrees to deliver to Lender all books and records pertaining to the Property, including computer-readable memory and any computer hardware or software necessary to access or process such memory, as may reasonably be requested by Lender in order to enable Lender to exercise its rights under this Section. All expenses, including receiver's fees and attorneys' fees, costs and agent's compensation incurred pursuant to this Section shall be payable by Borrower to Lender upon demand and shall be secured by this Mortgage. Anything in this Section 4.02 to the contrary notwithstanding, Lender shall not be obligated to discharge or perform the duties of a landlord to any tenant or incur any liability as the result of any exercise by Lender of its rights under this Mortgage, and Lender shall be liable to account only for the rents, incomes, issues, profits, and revenues actually received by Lender.

(c) UCC Remedies. Lender shall have all of the remedies of a secured party under the UCC, and any other applicable Idaho law, including without limitation the right and power to sell, or otherwise dispose of, the Personal Property, or any part thereof. For that purpose Lender may take immediate and exclusive possession of the Personal Property, or any part thereof, and with or without judicial process, enter upon any Land on which the Personal Property, or any part thereof, may be situated and remove the same therefrom without being deemed guilty of trespass and without liability for damages thereby occasioned or, at Lender's option, Borrower shall assemble the Personal Property and make it available to Lender at the place and at the time designated in the demand. Lender shall be entitled to hold, maintain, preserve and prepare the Personal Property for sale. Lender without removal may render the Personal Property unusable and dispose of the Personal Property on the Land. Borrower agrees that as it relates to this Section 4.02 (c) only, if any

notice of sale or other disposition of the Personal Property or exercise of any other right or remedy of Lender is mailed, postage prepaid, to Borrower at the above address at least ten (10) days before the time of the sale or disposition, such notice shall be deemed commercially reasonable and shall fully satisfy any requirement for giving of said notice.

(d) Mixed Collateral. Notwithstanding anything in Section 4.02(c) above which might otherwise be construed to the contrary, Lender shall have the option of proceeding as to the Real Property and all or some of the Personal Property in accordance with its rights and remedies with respect to the real property in accordance with the unified sale procedures set forth in the UCC.

(e) Receiver. Lender may apply to any court of competent jurisdiction for the appointment of a receiver or receivers for the Property and of all the earnings, revenues, rents, issues, profits and income therefrom, ex parte, without notice, and without regard to the sufficiency or value of any security for the Secured Obligations or the solvency of any party bound for its payment, the expenses of which shall be secured by this Mortgage.

(f) Other Remedies. Lender may take such other steps in accordance with applicable law to (1) protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Note, or in this Mortgage, or (2) aid in the execution of any power herein granted, (3) accomplish any foreclosure hereunder, or (4) enforce any other appropriate legal or equitable remedy or otherwise as Lender shall elect.

4.03 APPLICATION OF PROCEEDS OF SALE. In the event of a sale of the Property pursuant to Section 4.02(a) or Section 4.02(b) hereof, the proceeds of said sale, to the extent permitted by law, shall be applied to the following, in such order as Lender shall, in its sole discretion, determine: the expenses of such sale and of all proceedings in connection therewith, including attorneys' fees and expenses; Impositions, Premiums, liens, and other charges and expenses; the outstanding principal balance of the Secured Indebtedness; any accrued interest; and any other unpaid portion of the Secured Indebtedness; and the remainder shall be paid to Borrower.

4.04 REMEDIES CUMULATIVE. All remedies herein expressly provided for are cumulative of any and all other remedies existing at law or in equity and are cumulative of any and all other remedies provided for in any other Loan Document and the Lender shall, in addition to the remedies herein provided, be entitled to avail themselves of all such other remedies as may now or hereafter exist at law or in equity for the collection of the Secured Indebtedness, the enforcement of the covenants herein and the foreclosure of the liens and security interests evidenced hereby, and the resort to any remedy provided for hereunder or under any such other Loan Document provided for by law shall not prevent the concurrent or subsequent employment of any other appropriate remedy or remedies.

4.05 RESORT TO SECURITY. Lender may resort to any security given by this Mortgage or to any other security now existing or hereafter given to secure the payment of the Secured Indebtedness, in whole or in part, and in such portions and in such order as may seem best to Lender in its sole and uncontrolled discretion, and any such action shall not in any way be considered as a waiver of any of the rights, benefits, liens or security interests evidenced by this Mortgage.

4.06 BORROWER'S WAIVER. To the full extent Borrower may do so, Borrower agrees that Borrower will not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisal, valuation, stay, extension or redemption, and Borrower, for Borrower and Borrower's representatives, successors and assigns, and for any and all persons ever claiming any interest in the Property, to the extent permitted by law, hereby waives and releases all rights of redemption, valuation, appraisal, stay of execution, notice of intention to mature or declare due the whole of the Secured Indebtedness, notice of election to mature or declare due the Secured Indebtedness and all rights to a marshalling of the assets of Borrower, including the Property, or to a sale in inverse order of alienation in the event of foreclosure of the liens and security interests hereby created. Borrower shall not have or assert any right under any statute or rule of law pertaining to the marshalling of assets, sale in inverse order of alienation, the exemption of homestead, the administration of estates of decedents or other matters whatever to defeat, reduce or affect the right of Lender under the terms of this Mortgage to a sale of the Property for the collection of the Secured Indebtedness without any prior or different resort for collection, or the right of Lender under the terms of this Mortgage to the payment of the Secured Indebtedness out of the proceeds of sale of the Property in preference to every other claimant whatever. If any law referred to in this paragraph and now in force, of which Borrower or Borrower's representatives, successors and assigns and such other persons claiming any interest in the Property might take advantage despite this paragraph, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to preclude the application of this paragraph.

4.07 TENANCY. In the event there is a foreclosure sale hereunder and at the time of such sale Borrower or Borrower's representatives, successors or assigns or any other persons claiming any interest in the Property by, through or under Borrower are occupying or using the Property, or any part thereof, each and all shall, at the option of Lender or the purchaser at such sale, as the case may be, immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day-to-day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the Property occupied.

ARTICLE V GENERAL COVENANTS

5.01 NO WAIVER. No single or partial exercise by Lender, or delay or omission in the exercise by Lender, of any right or remedy under the Loan Documents shall preclude,

waive or limit any other or further exercise thereof or the exercise of any other right or remedy. Lender shall at all times have the right to proceed against any portion of, or interest in, the Property in such manner as Lender may deem fit, without waiving any other rights or remedies with respect to any other portion of the Property.

5.02 CONVEYANCE OF PROPERTY. Except as expressly provided in the Loan Agreement, Borrower shall not cause, permit or suffer the Property, or any part thereof, or any interest therein, to be conveyed, transferred, assigned, encumbered, sold or otherwise disposed of.

5.03 BORROWER'S ESTOPPEL. Borrower shall, within ten (10) days after a request by Lender, furnish a duly acknowledged written statement in form satisfactory to Lender setting forth the amount of the Secured Indebtedness, stating either that no offsets or defenses exist against the Secured Indebtedness, or if such offsets or defenses are alleged to exist, the nature and extent thereof and such other matters as Lender may reasonably request.

5.04 FURTHER ASSURANCES. Borrower shall, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, deeds of trust, assignments, security agreements, financing statements, modifications, notices of assignment, transfers and assurances as Lender shall from time to time reasonably require, for the better assuring, conveying, assigning, transferring and confirming unto Lender the Property and rights hereby conveyed or assigned or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or any of the other Loan Documents, or for filing, refiling, registering, re-registering, recording or re-recording this Mortgage.

5.05 FEES AND EXPENSES. If Lender becomes a party (by intervention or otherwise) to any action or proceeding affecting, directly or indirectly, Borrower, the Property or the title thereto or Lender's interest under this Mortgage, or employs an attorney to collect any of the Secured Indebtedness or to enforce performance of the obligations, covenants and agreements of the Loan Documents, Borrower shall reimburse Lender for all expenses, costs, charges and legal fees incurred by Lender (including, without limitation, the fees and expenses of experts and consultants), whether or not suit be commenced, and the same shall be reimbursed to Lender in accordance with Section 5.09 hereof.

5.06 REPLACEMENT OF NOTE. Upon notice to Borrower of the loss, theft, destruction or mutilation of the Note, Borrower will execute and deliver, in lieu thereof, a replacement note, identical in form and substance to the Note and dated as of the date of the Note and upon such execution and delivery all references in any of the Loan Documents to the Note shall be deemed to refer to such replacement note.

5.07 HAZARDOUS SUBSTANCES.

(a) Borrower hereby represents, warrants, covenants and agrees to and with Lender that all operations or activities upon, or any use or occupancy of the Property, or any portion thereof, by Borrower, and any tenant, subtenant or occupant of the Property, or any portion thereof, is presently and shall hereafter be in all respects in compliance with all state, federal and local laws and regulations governing or in any way relating to the generation, handling, manufacturing, treatment, storage, use, transportation, spillage, leakage, dumping, discharge or disposal (whether legal or illegal, accidental or intentional) of animal or vegetable waste, carcass or garbage disposal and any Hazardous Substance; and that neither Borrower nor (to the best of Borrower's knowledge, after due inquiry) any tenant, subtenant or occupant of all or any portion of the Property, has at any time placed, suffered or permitted the presence of any such Hazardous Substances at, on, under, within or about the Property, or any portion thereof in violation of applicable law.

(b) In the event any investigation or monitoring of site conditions or any clean-up, containment, restoration, removal or other remedial work (collectively, the "**Remedial Work**") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreement entered into because of, or in connection with, any occurrence or event described in this Section, Borrower shall perform or cause to be performed the Remedial Work in compliance with such law, regulation, order or agreement. All Remedial Work shall be performed by one or more contractors, selected by Borrower and approved in advance in writing by Lender, and under the supervision of a consulting engineer, selected by Borrower and approved in advance in writing by Lender. All costs and expenses of such Remedial Work shall be paid by Borrower including, without limitation, the charges of such contractor(s) and/or the consulting engineer, and Lender's reasonable attorneys', architects' and/or consultants' fees and costs incurred in connection with monitoring or review of such Remedial Work. In the event Borrower shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, Lender may, but shall not be required to, cause such Remedial Work to be performed, and all costs and expenses thereof, or incurred in connection therewith, shall be reimbursed to Lender in accordance with Section 5.09 hereof.

(c) Borrower shall protect, defend, indemnify and hold Lender harmless from and against all loss, cost (including attorneys' fees), liability, damage, claim or obligation, whenever asserted or brought, known or unknown, (i) arising in connection with or resulting from any breach of warranty, misrepresentation or nonfulfillment of any agreement by Borrower herein, (ii) based upon or otherwise resulting from an alleged or claimed violation of any federal, state or local environmental law, regulation or ordinance, or common law of any state, including but not limited to any tort claims, that pertain or relate in any respect or manner to the Property, incurred by Borrower by reason of any violation of any applicable statute or regulation (whether such liability is to a private party or any government unit, state or federal), or (iii) by reason of the imposition of any governmental lien for the

recovery of environmental cleanup costs expended by reason of such violation, without regard to fault on the part of Borrower. The indemnification provided in this Section 5.07 is not the substantial equivalent of and shall not be applicable to any matters as to which Lender is indemnified by Borrower pursuant to the Unsecured Indemnity Agreement, it being the intention of the parties that the Unsecured Indemnity Agreement apply exclusively to such matters.

5.08 WAIVER OF CONSEQUENTIAL DAMAGES. Borrower covenants and agrees that in no event shall Lender be liable for consequential damages, whatever the nature of a failure by Lender to perform its obligation(s), if any, under the Loan Documents, and Borrower hereby expressly waives all claims that it now or may hereafter have against Lender for such consequential damages.

5.09 LENDER REIMBURSEMENT. Any payments made, or funds expended or advanced by Lender pursuant to the provisions of any Loan Document, shall (1) become a part of the Secured Indebtedness, (2) bear interest at the Interest Rate under the Note from the date such payments are made or funds expended or advanced, (3) become due and payable by Borrower upon demand therefor by Lender, and (4) bear interest at the Overdue Interest Rate (as such term is defined in the Note) from the date of such demand. Failure to reimburse Lender upon such demand shall constitute an Event of Default under Section 4.01(a) hereof.

ARTICLE VI MISCELLANEOUS COVENANTS

(a) In the event the Net Insurance Proceeds are to be used for the Restoration, Borrower shall, prior to the commencement of any work or services in connection with the Restoration (the **"Work"**), deliver or furnish to Lender (i) complete plans and specifications for the Work which (A) have been approved by all governmental authorities whose approval is required, (B) bear the signed approval of an engineer or architect satisfactory to Lender (the **"Engineer"**) and (C) are accompanied by Engineer's signed estimate of the total estimated cost of the Work which plans and specifications shall be subject to Lender's prior approval (the **"Approved Plans and Specifications"**); (ii) the amount of money which, as determined by Lender, will be sufficient when added to the Net Insurance Proceeds, if any, to pay the entire cost of the Restoration (all such money as held by Lender being herein collectively referred to as the **"Restoration Funds"**); (iii) copies of all permits and approvals required by law in connection with the commencement and conduct of the Work; (iv) a contract for construction executed by Borrower and a contractor satisfactory to Lender (the **"Contractor"**) in form, scope and substance satisfactory to Lender (including a provision for retainage) for performance of the Work; and (v) a surety bond for and/or guarantee of payment for and completion of, the Work, which bond or guarantee shall be (A) in form, scope and substance satisfactory to Lender, (B) signed by a surety or sureties, or guarantor or guarantors, as the case may be, who are acceptable to Lender, and (C) in an amount not less than Engineer's total estimated cost of completing the Work.

(b) Borrower shall not commence any portion of the Work, other than temporary work to protect the Property or prevent interference with business, until Borrower shall have complied with the requirements of subparagraph (a) above. After commencing the Work, Borrower shall perform or cause Contractor to perform the Work diligently and in good faith in accordance with the Approved Plans and Specifications. So long as there does not currently exist an Event of Default under any of the Loan Documents, Lender shall disburse the Restoration Funds in increments to Borrower, from time to time as the Work progresses, to pay (or reimburse Borrower for) the costs of the Work, but subject to the following conditions, any of which Lender may waive in its sole discretion:

(i) Lender shall make such payments directly or through escrow with a title company selected by Borrower and approved by Lender, only upon not less than ten (10) days' prior written notice from Borrower to Lender and Borrower's delivery to Lender of (A)

Borrower's written request for payment (a "**Request for Payment**") accompanied by a certificate by engineer in form, scope and substance satisfactory to Lender which states that all of the Work completed to that date has been done in compliance with the Approved Plans and Specifications and in accordance with all provisions of law, that the amount requested has been paid or is then due and payable and is properly a part of the cost of the Work and that when added to all sums, if any, previously paid out by Lender, the requested amount does not exceed the value of the Work done to the date of such certificate; (B) evidence satisfactory to Lender that there are no mechanic's or similar liens for labor or material supplied in connection with the Work to date or that any such liens have been adequately provided for to Lender's satisfaction; and (C) evidence satisfactory to Lender that the balance of the Restoration Funds remaining after making the payments shall be sufficient to pay the balance of the cost of the Work not completed to date (giving in such reasonable detail as Lender may require an estimate of the cost of such completion). Each Request for Payment shall be accompanied by (x) waivers of liens satisfactory to Lender covering that part of the Work previously paid for, if any, and (y) a search prepared by a title company or by other evidence satisfactory to Lender that no mechanic's liens or other liens or instruments for the retention of title in respect of any part of the Work have been filed against the Property and not discharged of record.

(ii) No lease affecting the Property immediately prior to the damage or destruction shall have been canceled, nor contain any still exercisable right to cancel, due to such damage or destruction; and

(iii) Any Request for Payment after the Restoration has been completed shall be accompanied by a copy of any certificate or certificates required by law to render occupancy of the Improvements legal.

(c) If (i) within sixty (60) days after the occurrence of any damage or destruction to the Property requiring Restoration, Borrower fails to submit to Lender and receive Lender's approval of plans and specifications or fails to deposit with Lender the additional amount necessary to accomplish the Restoration as provided in subparagraph (a) above, or (ii) after such plans and specifications are approved by all such governmental authorities and Lender, Borrower fails to commence promptly or diligently continue to completion the Restoration, or (iii) subject to Section 1.16 hereof, Borrower becomes delinquent in payment to mechanics, materialmen or others for the costs incurred in connection with the Restoration, then, in addition to all of the rights herein set forth and after five (5) days' written notice of the non-fulfillment of one or more of the foregoing conditions, Lender may apply the Restoration Funds then or thereafter held by Lender to reduce the Secured Indebtedness in such order as Lender may determine, and at Lender's option and in its sole discretion, Lender may declare the Secured Indebtedness immediately due and payable.

RE: Notice of Security Interest for Water Right / Permit No(s): *See attached list*

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
Administrative Assistant 1
