RE: Water Right Change in Ownership No(s): 33-114 and 33-2153

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The deed supplied covers the place of use for water right numbers 33-2087B, 33-2104A and 33-10026 located in Section 30 Township 6 North Range 29 East. However, does not cover 33-114 and 33-2153 located in Section 31 Township 6 North Range 28 East and Section 36 Township 6 North Range 27 East. Please supply evidence of ownership for the property located in Section 31 township 6 North Range 28 East and Section 36 Township 6 North Range 27 East.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,
