Murray Family Trust

c/o John Murray: The Department sent you a protest acknowledgement letter and a copy of the protest that was submitted by the Idaho Department of Fish & Game on your application for permit 75-14970. The letter was returned to the Department on January 3, 2020 citing you were temporarily away from the address on your application, PO Box 916, Salmon, ID. If there is a better address for you, please let me know and I will send any future correspondence to the correct address.

Please read the letter and protest. The Department will give you and the protestant approximately 2 weeks to discuss the protest and come to an agreement. If an agreement is not reached and the protest is not withdrawn, the Department will take steps to schedule a pre-hearing conference.

Let me know if you have any questions. Thank you.
