3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **WATER RIGHTS:** The Lessor shall lease and the Board shall accept into the Bank the Applicant's water rights described as follows:

During the term of this lease, if a water right is administratively changed due to a water right split and renumbering, this lease may be reduced by an equal amount to reflect the water right elements as legally defined under the water right. 8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the department from all authorized points of diversion which will allow determination of the total rate of diversion.
13. The director maintains jurisdiction of Transfer No. 4702 up to five (5) years after resumption of use of the water right for the purpose of determining potential injury to existing rights, both junior and senior, in the vicinity of the transferred point of diversion.
14. After specific notification by the department, the right holder shall annually report the amount of water diverted to the department.

Narrative: The Department received this application on December 2, 2019. The applicant wishes to place the entire right in the Bank from 2020-2024. Dennis Baker, current owner, signed the application. This right was decreed in 2010 and placed in the Bank from 2015-2019. While looking at aerial imagery, it appeared irrigation had taken place in May and June, 2017 & 2018. I contacted the watermaster, Rusty Kramer, and he said those were "wet years and the wheel lines have been blown over and piled into the fence. I guarantee there is no irrigation going on here..." There are no WMIS records. There are no other rights that overlap this right. This right is currently within WD 37B.

Subject: WSB Lease Application 37-7745A

Rusty,

I currently reviewing an application to lease the entirety of water right 37-7745A to the Water Supply Bank. This right has been in the Bank since 2015 and Dennis Baker, the current owner, wants to lease the right for 5 more years. I was looking aerial imagery and it appears that the land appurtenant to this right might have been irrigated in May & June of 2017 and 2018. There don't appear to be any other rights for this land. Are you aware of any irrigation going on while this right has been in the Bank? I have attached Landsat and Sentinel Imagery for some of 2017, 2018.

Please let me know as soon as possible. Thank you.
