RECITALS

1. In an action in the District Court, County of Oneida, State of Idaho, between BANK OF IDAHO, as Plaintiff, and NORTH RIDGE FARMS, LLC, et al., as Defendant, (Civil Case No. CV-2017-188), a Judgment and Decree of Foreclosure was entered and filed on July 19, 2018, which Judgment and Decree provided for the foreclosure of the Plaintiffs' lien and mortgage on the real property described in said Judgment and Decree of Foreclosure. A Writ of Execution Directing Sale of Real Property was thereafter issued on October 23, 2018, and the undersigned issued a Notice of Levy on Real Estate Under Execution on November 2, 2018, and I duly levied on the real property described therein. Said Notice of Levy on Real Estate Under Execution has been recorded in the records of Oneida County, Idaho on November 6, 2018, as Instrument No. 157270.

said real property described in the said Judgment and Decree of Foreclosure at public auction at the proper time and place and in the manner provided by law, at which sale the property was sold to the Grantee for the sum of \$3,730,000.00, such being the highest sum bid for the same, and pursuant to such sale I issued to Grantee a Sheriff's Certificate on Sale of Real Property Under Execution, dated December 10, 2018, which Certificate was recorded in the records of Oneida County, Idaho, on December 10, 2018, as Instrument No. 157370.

3. The time for redemption of the real property has expired and no redemption from such sale has been made, and the Grantee is the owner and holder of the Sheriff's Certificate on Sale of Real Property Under Execution.

By virtue of the foregoing and in consideration of the purchase money, I, ARNE JONES, Oneida County Sheriff, in order to carry into effect the sale so made as aforesaid, in pursuance of such Judgment and Decree of Foreclosure of said Court and in conformity with the law in such cases, hereby grant and convey to Grantee, and its successors and assigns forever, the real property situated in the County of Oneida, State of Idaho, more particularly described as follows:

Re: Change in Ownership for Water Right No(s): 15-7134, 15-7142, 15-7252, 15-7412, 15-7413, 15-7335, 15-7382 and 15-7366

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

The department did not have sufficient evidence to complete 15-7335, according to the information filed with the department an Assignment of Permit is being submitted to complete the ownership change for that permit, fee has been paid.

Also 15-7412 and 15-7413 are active applications, there is no filing fee to update an application, and therefore you are entitled to a refund. The total filing fee received is \$175.00, there are 6 water rights/permits and 2 applications (6 X \$25.00 = \$150.00). You are entitled to a \$25.00 refund. The department has initiated the refund and it should arrive from the state office in couple of weeks.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.
