6. General Information:

TC-01-56

- Who owns the water right to be changed? Long Island Canal Co.
- Describe the arrangement allowing use of the right Agreement where by Island stored water is made available to Long Island
- Describe the affect on the land now irrigated if the change is approved pursuant to this application: 1000 acres of land within Long Island system will no longer receive Long Island water after approval
- Has the water right sought to be transferred been used this year? Yes If yes, explain. The Snake River watermaster distributes all water rights in Priority
- Absent the changes, how would the right be used for the remainder of the year? Diverted through the Long Island system
- Describe other water rights used for the same purpose. West Labelle & Long Island combine 15 other rights
- Remarks: This transfer will allow some pump diversions in Long Island to be provided storage while saving production w/in Island system.

I hereby assume all risk in accordance with Section 42-222A, Idaho Code, and assert that no one will be injured by such change and that the change does not constitute an enlargement in use of the original right. The information contained in this application is true to the best of my knowledge. I understand that any willful misrepresentations made in this application may result in voiding its approval.

ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Temporary Change Application No. TC-01-56

And said application is hereby Approved, subject to the following limitations and conditions:

This temporary transfer shall not be effective until the Long Island & Island Canals have contacted the watermaster to request the change. This contact must be no less than 48 hours prior to the time the Island Canal starts diverting under this right.
 Witness my hand this 29th day of July, 2004.

TEMPORARY CHANGE OF A)
WATER RIGHT 01-00113C)
Island Canal)

**ORDER AUTHORIZING
TEMPORARY CHANGE**

TC-01-56

WHEREAS, a drought emergency has been declared for Jefferson County to allow administrative actions to lessen the severe impacts of the drought conditions in the county; and

WHEREAS, section 42-222A, Idaho Code, provides that upon declaration of a drought emergency, the director of the Department of Water Resources ("Department") is authorized to allow temporary changes in the point of diversion, the place of use, and the purpose of use for valid existing water rights or temporary exchanges of water authorized under water rights when the director determines that such changes can be accomplished in accordance with the provisions of section 42-222A, *Idaho Code*; and

WHEREAS, on July 27, 2004, Island Canal Co submitted the attached Temporary Change Application TC-01-56 to the Department; and

WHEREAS, the Department has reviewed the application and has determined the application can be approved with certain conditions;

ORDER

IT IS HEREBY ORDERED that the application is **APPROVED** subject to the following conditions:

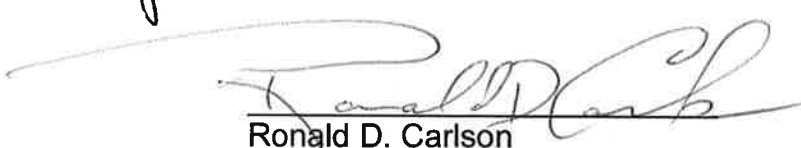

1. Diversion and use of right no(s). 01-113C is authorized only at the point of diversion and place of use described on the application.
2. This temporary Change approval does not authorize construction of a new well as a new point of diversion.
3. The applicant assumes all risk of curtailment or mitigation should the diversion and use of water under the temporary change approval cause injury to other water rights, constitute an enlargement in use of the original right, be inconsistent with the conservation of water resources within the state of Idaho, or not be in the local public interest.
4. This temporary change approval may only be used to provide a replacement water supply to lands or other uses that normally have a full water supply, except for the drought condition. This temporary change approval may not be used to provide water for new development or to allow expansion of the use of water under existing water rights.

ORDER AUTHORIZING
TEMPORARY CHANGE

TC-01-56

5. Right(s) 01-113C are limited to the irrigation of a total of 3760 acres in a single irrigation season
6. This temporary approval does not authorize the use of diversion works or a delivery system owned by or managed by a corporation or an irrigation district without the written consent of such corporation or irrigation district.
7. The applicants agree to hold the director and the state of Idaho harmless from all liability on account of the diversion and use of water under this temporary change approval.
8. This temporary change approval does not grant any right-of-way or easement to use the diversion works or conveyance works of another person or entity.
9. The applicant shall measure the amount of water diverted and shall report the amount of water diverted under this approval.
10. The Water master of Water District No. 01 is authorized to administer the temporary change approval.
11. This Temporary change approval expires on Sept 30, 2004 unless rescinded or extended by the director. Thereafter, the water right shall revert to the point of diversion, place of use, and nature of use existing prior to the temporary change approval..

DATED this 29th day of July, 2004.
