RE: Water Right Change in Ownership No(s): 92-10707, 92-10713, 92-10714

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: Notarized copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.

During our review of the documentation you submitted we found discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. According to the quitclaim deed you do not own the property the above mentioned water rights are pertinent to.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,
