Re: Application for Amendment of Permit No. 63-33000

Dear Applicant:

You submitted an assignment of permit on June 28, 2019 to change the ownership of a portion of permit no. 63-33000. An application for amendment of permit was included with the assignment of permit. This application appears to be a copy of the application that was submitted to western regional office on June 19, 2019. This application was approved on August 19, 2019 so the additional fee paid on June 28, 2019 of \$100.00 was not necessary and will be returned. Enclosed is a copy of permit no. 63-33000 and permit no. 63-34752. Please make sure these permits correctly reflect the changes you intended to make.

If you have any questions about this matter please contact me at 208-287-4925.

Sincerely,

Phill Hummer
Water Rights Supervisor, State Office
Idaho Department of Water Resources
