EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Re: Evaluation of Sufficiency of Information Submitted

The application for transfer proposes to split a small portion from nine separate irrigation water rights and transfer the portions to an adjacent 6 acre Place of Use (POU). There are no Point of Diversion (POD) changes proposed. The POU is located approximately 2.8 to 3.0 miles west and 5.0 to 5.2 miles south of Murtaugh. The proposed transfer is in Water District 472 so Watermaster comments will be solicited. 470

- **Authority to File:** The applicants are listed as the grantee of the POU with appurtenant water rights through a quitclaim deed. The quitclaim deed also contains the notarized signatures of both the current owners and the applicants of the water rights in this transfer and the legal description of the POU.
- **Water Right Validity:** Water Rights 47-129, 47-130, 47-131, 47-132, 47-2478, 47-2257, 47-2468, 47-2548, and 47-2550 were decreed in the SRBA on 06/02/2011. Recent aerial and satellite imagery indicate that the property involved with this transfer appears to be irrigated.
- **Injury to Other Water Rights:** None anticipated.
- **Enlargement of Use:** None anticipated.
- **Local Public Interest:** No issues anticipated.
- **Beneficial Use/Conservation of Water Resources:** Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:** None Anticipated

Re: Legal Notice Not Required

Legal Notice Not Required
09/09/2019

Pursuant to Section 42-222, Idaho Code, the Department has discretion to provide public notice as deemed appropriate. This water right transfer proposes to split a small portion from nine water rights and transfer the portions to an adjacent 6 acre Place Of Use (POU) with no Point of Diversion (POD) changes. The water right changes proposed through this transfer application do not appear to change the effect on the original or hydraulically connected water source or affect other water rights. Therefore, staff review of the transfer application found no cause to require public notice. This application will continue processing without advertisement and be forwarded for approval consideration.
