Re: Application for transfer No. 83065.

Dear Mr. and Mrs. Warr,

*Del Mitchell D L EVANS
673-5301*

Please review the transfer application. The following items are needed in order to process the transfer.

Concerning the Lien Holder of the transfer applications:

The applications list D.L. Evans Bank as current lien holder for the lands involved in the transfers. If the transfer proposes a change that might impact the value of the lands from which the water right is proposed to be transferred, and that land is subject to liens, mortgages, or other contract restrictions affecting the right to transfer the water. A statement on official letterhead signed by an authorized representative of a mortgage company, or notarized statement is required from the holder of each such lien, mortgage or contract.

Pertaining to the fees for these transfers

The fee for this transfer application is \$705.00 for the amount of water being transferred (\$580.00) and the ownership changes (\$125).

Please sign and date the transfer (both signatures) and return all original documents, lien holder letter, maps, along with the filing fee of \$705.00.

If you have any questions, or if I can be of any further assistance, feel free to contact me at your convenience.

Sincerely,

Benny Walker
Water Resource Agent
