PROOF DEFICIENCY LETTER

RE: Permit Nos. 75-14863 and 75-14865

Dear Permit Holder:

The Department received the proof of beneficial use (proof) forms submitted for the above referenced permits. The proofs are not acceptable without the correct fees. Copies of the forms are enclosed for your reference.

Permit 75-14863 authorizes a diversion rate of 0.10 cfs (cubic feet per second) and was stated the same on the form requiring a license examination fee of \$50.00. Permit 75-14865 authorizes a diversion rate of 0.09 cfs and was stated as 0.08 cfs on the form requiring a license examination fee of \$50.00. Please submit the \$100.00 of the required fees.

Please submit the required fees at your earliest convenience before the proof due date of **September 01, 2022** to avoid the possibility of your permits lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd

Technical Records Specialist
