Dear Kerry and Verna Rae Romrell:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The deed we received is from Romrell LLC to Kerry D and Verna Rae Romrell. However the current owner of the water right is Demar and Darlene Romrell, please provide a copy of the deed from Demar and Darlene Romrell to the Romrell LLC.

**** **Filing Fee:** Also there is a concern about a 22 acre exception on Warranty Deed number 230337, the exception is on page 3 in the portion of the legal description for Section 7. Please find attached a map showing the place of use of water rights 11-936, 11-937, 11-938 and 11-7130 and the exception, as you can see on the map approx. 3.6 acres of the water right covers the exception. If you do not own the property it is possible a split of the water right is required. If a split is required an additional filing fee is also required. The fee for a split ownership change is \$100.00 per water right. For this application the full fee would be \$425.00 (11-7488-split is not required where we are only replacing Demar and Darlene Romrell and the other owners will still remain on the water right) $(1 \times 25 = \$25.00) + (4 \times 100 = \$400.00) = \$425.00$. The department has already received \$125.00, therefore the additional fee would be \$300.00.

Please review the information and let the department know how we should proceed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
