RE: Water Right Change in Ownership No(s): 61-12155

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

 X Legal Description of Property

The Warrant Deed submitted references Exhibit A for the legal description of the property. Exhibit A was not included with the documents submitted.

Because the Department cannot process the Notice without proper documentation fees, we will hold any action on your notice pending receipt of the necessary information fees. If we do not receive the necessary information fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4803.

Sincerely,

Rosemary DeMond
Administrative Assistant 2
