RE: Water Right No(s): 75-10826 Change in Ownership

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- ☒ Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ Legal Description of Property

During our review of the documentation you submitted we found discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference. The deed submitted indicated that all property in the SESE Quarter of Section 8 was exempted. This is the land that Water Right No. 75-10826 is appurtenant to and does not belong to you, according to your deed and the county records. (See attachment)

Because the Department cannot process the Notice without proof of ownership, a refund of \$25.00 will be sent to you under separate cover.

If you have any questions regarding this matter, please contact me at (208) 287-4803.

Sincerely,

Rosemary DeMond
Administrative Assistant 2
