PROOF DEFICIENCY LETTER

RE: Permit No. 63-34206

Dear Permit Holder:

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

The proof form was not accompanied by the required \$25.00 fee. A license examination fee is required for a permit with a surface water source. Waste water is considered a surface water source. The Department cannot process the proof without the fee.

Please submit the required fee at your earliest convenience before the proof due date of **March 01, 2020** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd
