RE: Water Right Change in Ownership No(s): 95-839

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$25 per water right

Because the partial decree was filed on November 8, 2019, this water right is no longer a part of the adjudication and is subject to the filing fee. Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

A handwritten signature in blue ink that reads "Natalie Steading".
