Re: Notice of Change of Right of Ownership, Permit No. 84-12227
Don R. Berry and State of Idaho Department of Lands

Dear Natalie:

On October 28 2013, the Department of Water Resources issued a Permit Approval Notice to Don R. Berry and the State of Idaho Department of Lands in recognition of a new water right. The water right permit originated in May 2005 with Don Berry and was amended in 2013 to include the co-applicant, Idaho Department of Lands, in connection with State Term Easement No. 6467.

On September 20, 2019 Don Berry sold his property to Broc Caal and Nicole Cleveland. The new owners have 120 days to report the change of ownership and request a water rights transfer. It is our intention to include the necessary documents in this package to complete the transfer, including: 1) a signed Notice of Change of Ownership form, 2) a copy of the Warranty Deed of the new ownership, 3) a plat or survey map of the ownership, and 4) a \$25.00 filing fee. We recommend that Idaho Department of Water Resources grant the transfer of water rights to the new owners, Mr. Caal and Ms. Cleveland, with Idaho Department of Lands remaining on the permit. This also fulfills the obligations of the state term easement.

If you have any questions, please contact me at (208) 476-4587.

Sincerely,

Jay L. Sila

Re: Change in Ownership for Water Right No(s): 84-12227

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 762-2800.

Sincerely,
