That would be perfect! I will send back the form so you can make the changes and return with the \$1550 check. Thank you!

Thanks Shilynn. I used the wrong fee chart. Also, we want to list (and pay for) the entire 36.12 cfs. How would you like me to proceed? Can I cross out the wrong amount, list the correct amount and initial/date and return with a check for the fee amount due of \$1550? (\$2700 - \$1150 paid)

Hi Lori,

I was assigned the transfer for River Flat Ditch Company and wanted to verify the cfs to be transferred. \$1150 was submitted which would pay for 8.01 cfs – 9.00 cfs according to the [IDWR transfer fee schedule](#), but the submitted application lists 26.12 cfs to be transferred. I also noticed 63-21779 has 11.02 cfs and 63-21780 has 25.1 cfs and both would amount to 36.12 cfs.

Please let me know how much water is being transferred.

Thank you in advance for your assistance!
