The "Notice of Change in Water Right Ownership" for 34-10484, 34-2491E, 34-796, 34-7075, 34-2277, 34-4002, 34-187A, 34-195D, 34-196C and 34-2480B has been returned for the following reason(s):

**** **Duplicate Applications Received:** On October 21, 2019 the department received the application from First American Title Co, a receipt for the \$300.00 filing fee was receipted under S037597. On November 1, 2019 a second application for the same water right was received. It was determined that some of the water right would require a split so the filing fee for the 2nd application was correct and that application was complete. The application submitted by First American Title is being returned unprocessed. However please find attached copies of the updated water rights pre the applications submitted on November 1, 2019 by Holden Kidwell Hahn & Crapo.

Also because this ownership change was not processed First American Title Co is entitled to a full refund of \$300.00 for receipt no. S037597, the refund has been initiated and should arrive from the state office in couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact Jonie Barg at (208)525-7161.

I have a refund request as follows:

Receipt number: S037597
Amount: \$300.00
Payable to: First American Title Co

Therefore the Title Co is entitled to a full refund (\$300.00).

Let me know if you need additional information.
